Month Day, Year

Hello,

The Department of Early Learning and Care (DELDC) is excited to share an important update about the Oregon Early Learning Management System (Oregon ELMS). Oregon ELMS is a new online system designed to support child care providers and families across Oregon by bringing licensing and subsidy (ERDC) tools together into one easy-to-use platform accessible from a computer, tablet, or mobile phone.

We are pleased to announce that Oregon ELMS will officially launch on October 14, 2026. Trainings will be available for providers and families before the October 14 launch.

Training Timeline

Oregon ELMS training session dates will be announced later this summer. You will be able to sign up for training through the Oregon Registry Online Training Calendar. These sessions will be:

- Online and easy to join
- Free
- Able to count towards training hours in Program Management
- Optional, so you can choose the topics and times that work best for you
- Available in Traditional Chinese, English, Russian, Spanish, and Vietnamese
- Training sessions will cover a variety of topics and offered multiple times to accommodate provider schedules.

Stay Connected

DELDC will share updates by email, mail, the DELDC website, and the Child Care Updates (CCU) newsletter. To sign up for the CCU newsletter, please visit:
