June XX, 2026

Hello,

The Department of Early Learning and Care (DELIC) is creating a new online system to support child care providers and families across Oregon, the Oregon Early Learning Management System (Oregon ELMS). Oregon ELMS will replace existing licensing and subsidy (ERDC) tools with one system that can be used from a computer, tablet, or mobile phone.

Oregon ELMS was originally planned to be available in July of 2026. It is important to us to make sure trainings and communications about Oregon ELMS are the most helpful for users like you – providers, families, state staff, and other early learning system partners. In order to meet this goal, we will be rescheduling the launch to the Fall 2026. We are excited to share this new system with you and will send another update when the new date has been determined.

Training Timeline

Training for Oregon ELMS users will be available in the coming months. You will be able to sign up for Oregon ELMS training through the Oregon Registry Online Training Calendar. These sessions will be:

- Online and easy to join
- Free
- Countable toward training hours in Program Management
- Optional, so you can pick what topics and times work best for you.
- Available in Traditional Chinese, English, Russian, Spanish and Vietnamese.

What You Can Do Now

To get ready for Oregon ELMS, DELC asks providers to:

- Watch for messages from DELC and read Oregon ELMS updates.
- Verify your contact information when contacting DELC

Clear instructions will be shared before any additional actions are required.

Stay Connected

DELC will share updates by email, letters, the DELC website, and the Child Care Updates newsletter. To sign up for the Child Care Updates newsletter, please visit: <https://public.govdelivery.com/accounts/ORDELC/signup/37311>. Please enter your email and select "Community Newsletter and Child Care Updates (CCU)" for general DELC news updates.

Thank you for the important work you do for Oregon's children and families. DELC looks forward to making Oregon ELMS a smooth transition and a better way to work together.

Questions or feedback? Please contact the Department of Early Learning and Care:
