March 3, 2026

Hello,

The Department of Early Learning and Care (DELIC) is getting ready to make a new online system available to support child care providers, families, and partners across Oregon. Oregon Early Learning Management System (Oregon ELMS) will be available this summer of 2026. Oregon ELMS will replace existing licensing and subsidy (ERDC) tools with one system that can be used from a computer, tablet, or mobile phone. Oregon ELMS is designed to make working with DELIC easier and clearer.

What Oregon ELMS Means for Child Care Providers

In one simple system, Oregon ELMS will help you:

- Use **one secure account** to work with DELIC in your preferred language
- Keep your information in one place, including:
 - Contact details,
 - Payments, and
 - Documents
- Send and track licensing applications
- Bill for subsidy (ERDC) payments and view ERDC notifications
- Track training requirements
- Get clear messages and next steps from DELIC

These changes will save time, cut paperwork, and help you focus on children and families.

What to Expect

As we get closer to Oregon ELMS being available, DELIC will:

- Share updates and timelines
- Tell you about any steps you need to take
- Give training and support before and after Oregon ELMS starts
- Provide clear instructions before anything changes

You will not need to figure things out on your own.

Training Timeline

Training for Oregon ELMS users is planned for **Summer of 2026**. In the coming months, you'll be able to **sign up for Oregon ELMS training** through the **Oregon Online Training Calendar**. These sessions are:

- Online and easy to join
- Free

- **Count toward training hours in Program Management**
- **Optional**, so you can pick what topics and times work best for you.

Stay tuned—more details will be shared soon.

Looking Ahead: Provider Pre-registration

Before Oregon ELMS is fully available, providers can:

- Set up login information for the new Oregon ELMS system
- Check and confirm email and contact details
- Review information that is already on file
- Confirm ERDC subsidy status and payment details

DELC will give step-by-step instructions before pre-registration begins.

What You Can Do Now

To get ready for Oregon ELMS, DELC asks providers to:

- Watch for messages from DELC and read Oregon ELMS updates.
 - Verify your contact information when contacting DELC

Clear instructions will be shared before any actions are required.

Stay Connected

DELC will share updates by email, letters, the DELC website, and the **Child Care Updates newsletter**. To sign up for the Child Care Updates newsletter, please visit: [Oregon Department of Early Learning and Care Newsletter](#). Please enter your email and select "Community Newsletter and Child Care Updates (CCU)" for general DELC news updates.

Thank you for the important work you do for Oregon's children and families. DELC looks forward to making Oregon ELMS a smooth transition and a better way to work together.

Questions or feedback? Please contact the Child Care Licensing Division: 1 (800) 556-6616 or cld.customerservice@delc.oregon.gov.
