NOTICE: Repeated or serious non-compliance may result in a civil penalty as discussed (if applicable). Under the law, a child care license may be suspended or revoked if the Child Care Licensing Division (CCLD) finds that the facility or its operation does not comply with state statutes, or with applicable rules, or with any terms or condition imposed under the license. If you fail to comply or if you repeat the noncompliance indicated above, your license may be revoked. You must comply with CCLD rules and the law at all times. The CCLD retains information about noncompliance. If you disagree with the findings, you may respond in writing to the CCLD.

This form contains dynamic elements and may not show some items that are not relevant to your program.
