What is Oregon ELMS?

Oregon's Early Learning Management System (Oregon ELMS) is a new online platform that will support child care providers, families, and early learning system partners across Oregon.

It can be accessed from a computer, tablet, or cell phone.

It will launch in Summer 2026.

Benefits for Child Care Providers

Oregon ELMS is a self-service portal that will let you:

- Keep all your information in one place
- Track your licensing status and receive licensing notifications
- Submit renewals
- Bill for subsidy (ERDC) payments and view ERDC notifications

- Track your training requirements
- Get automatic reminders

These changes will save you time and cut down on paperwork
