GENERAL INFORMATION AND INSTRUCTION SHEET**

LIMITED SPECIALTY LICENSURE: CODA-ACCREDITED DDS/DMD DEGREE PROGRAM TRAINED DENTISTS

Introduction: To obtain a limited specialty license in the State of Oregon, the Oregon Board of Dentistry (OBD) requires that US/Canada trained applicants meet the requirements for one of two different pathways: Dental Specialty Licensure by Examination, or Dental Specialty Licensure Without Further Examination (LWOFE). Limited specialty licenses are an option for individuals who do not meet the requirements for a general dental license, but who have completed advanced training and examination in an OBD-recognized dental specialty.

Specialties recognized by the OBD: Dental Anesthesiology, Dental Public Health, Endodontics, Oral and Maxillofacial Pathology, Oral and Maxillofacial Radiology, Oral and Maxillofacial Surgery, Orthodontics and Dentofacial Orthopedics, Pediatric Dentistry, Periodontics, and Prosthodontics.
