Dr. Zeller stated that they are a little over a month away from the Oregon Dental Conference (ODC), which has a theme of Connect, Learn, and Grow and that the ODA is excited about the event. Dr. Zeller reminded everyone that this year's ODC is April 3rd through the 5th and said she hoped to see everyone attend.

Dr. Zeller acknowledged that the Legislative Session is in full swing, and that this year's ODA Legislative Agenda consists of the dental insurance reform bill, the DDH compact, and advocating for improved dental reimbursements.

Dr. Zeller stated that the ODA lobby team has been busy in Salem and shared a few highlights. Dr. Zeller reported that ODA has testified in support of the Oregon Wellness Program, an oral health care coordination program, and the DDH Compact. Dr. Zeller announced that next week ODA will be joining its partners at the Health and Lung Association in testifying in support of a bill to ban flavored tobacco. Dr. Zeller stated that ODA expects a hearing for the ODA sponsored Dental Insurance Reform Bill in the next couple of weeks. Dr. Zeller said the ODA was happy to have provided support for the Board of Dentistry budget at their recent hearing.

Dr. Zeller thanked members for their service on the Board of Dentistry.

Oregon Dental Hygienists' Association (ODHA)

Lisa Rowley, Advocacy Director of ODHA, reported that the American Dental Hygienists' Association (ADHA) has adopted a position statement in opposition to policies for alternative dental hygiene licensure pathways for non-hygienists and a position statement that recognizes the dental hygiene workforce shortage and supports appropriate strategies to retain and build the workforce. Ms. Rowley mentioned that in January 2025, the governor of Massachusetts signed a bill that allows foreign-trained dentists to work as dental hygienists in that state.

Ms. Rowley reported that both the ADHA and the American Dental Education Association (ADEA) oppose the oral preventative assistant provision in the Dental Access Model Act that was developed by the American Dental Association (ADA). Ms. Rowley stated that the ODHA is also opposed to the oral preventative assistant model and is monitoring an oral preventative assistant bill that is being considered in Washington State.

Ms. Rowley stated that the ODHA continues to support the Oregon Board of Dentistry becoming a member of the Central Regional Dental Testing Services (CRDTS) and is looking forward to today's update on this issue.

Ms. Rowley stated that ODHA strongly supports House Bill 2676 that if passed would enact the DDH Compact in Oregon. Ms. Rowley shared that the ODHA appreciates the ODA's leadership in this advocacy initiative and Stephen Prisby's due diligence on how this Compact may affect licensure in Oregon.

Oregon Dental Assistants Association (ODAA)

Mary Harrison, representative of ODAA, shared that Dr. Kansal's hygienists, Lisa and Kala, gave an excellent CE presentation. Ms. Harrison reported that ODAA had over thirty members in attendance for the Zoom presentation on Healthy Habits and Positive Experiences in Pediatric Dentistry. Ms. Harrison reported that ODAA continues to work with ODA in sharing information and that ODAA members are looking forward to the ODC in April. Ms. Harrison stated that correspondence continues with ODA and that ODAA plans to introduce their branding and new logo at the ODC. Ms. Harrison reported that ODAA supported Portland Community College's Dental Sciences program with a letter for a grant application with support and encouragement from the offices of Senator Ron Wyden and Senator Jeff Merkley. Ms. Harrison stated that ODAA encourages the education of dental assistants and those of our community college programs throughout the state.

Ms. Harrison stated that HB 3223 is still a huge concern and that there are unanswered questions and no response that ODAA is aware of from the Governor's office. Ms. Harrison reported that DANB and The Dale Foundation have helped and have the Exams that were required in three languages, which meet some of the stipulations in HB 3223. Ms. Harrison noted that the Board has received ODAA's concerns, and that ODAA looks forward to hearing the Board's plans and concerns on this issue.

Ms. Harrison noted that the DAWSAC committee was formed because of HB 3223 and is probably the best thing that has happened because of it. Ms. Harrison shared that there are representatives from all over the state and that the majority represent working assistants. She mentioned that ODAA has only one representative and others have no affiliation with any assistant associations or organizations. Ms. Harrison elaborated that the ideas and opinions are very personal, as are their beliefs and convictions. Ms. Harrison reported that during the last meeting motions were passed that addressed some of their feelings and concerns. Ms. Harrison asked the Board to consider those motions and move them forward to help with the recruitment and retention of dental assistants.
