EXECUTIVE DIRECTOR'S REPORT

Board Member and Staff Updates

Mr. Prisby thanked all staff for working throughout this pandemic event and emergency. The work has shifted, but the workers are here, doing their jobs.

The Office Manager interviews were finalized in March and Haley Robinson graciously accepted the position effective April 1, 2020.

Haley started with the Board in June 2016 as the Office Specialist. She quickly learned the ropes and adapted to the OBD well. She moved over to Investigations in August 1, 2017 and added the HPSP Diversion monitoring duties to her skill set as well. She has a Bachelor's Degree in Human Development and Family Sciences/Psychology from Oregon State University and has shown her aptitude, attention to detail, motivation and her commitment to a long term career at the OBD.

Teresa Haynes has agreed to stay on as our "Project Manager" throughout most of 2020. She is an invaluable resource and we are very fortunate that she is choosing to spend the beginning of her well-deserved retirement finalizing important work for the OBD.

COVID-19 Updates

On March 24, 2020 Mr. Prisby designated all OBD Staff as "Essential Personnel", per state policy 60.015.01 Temporary Interruption of Employment, and the Novel Coronavirus (COVID-19) Letter of Agreement (LOA), signed 3/13/20. "Essential Personnel" are individuals assigned by the agency as essential to operations during curtailment or closure. The OBD is fortunate to have separate offices, maintain social distancing and take other precautions during this pandemic.

The OBD Website was updated with links to the Governor and OHA's Covid-19 Resource pages. The OBD also endorsed all dental professionals signing up with the State Emergency Registry of Volunteers in Oregon (SERV-OR). E-blasts are going out on relevant topics and reminders to Licensees to comply with EO 20-10.

A COVID-19 FAQ document was sent out in an email blast and is posted on Hot Topics page.

Executive Order 20-10

The Executive Order requires that dentists, along with other health care providers, cease all elective and non-urgent procedures, immediately and no later than March 23rd, through June 15th. Procedures are exempt if a three-month delay in the procedure or surgery would put the patient at risk of irreversible harm. The order also requires that dentists, along with other health care providers, identify any surplus Personal Protective Equipment (PPE) to the state by March 27th, and arrange for delivery of supplies. Please contact the state's PPE Coordinator at 971-900-9952.

OBD Budget Status Report

Mr. Prisby presented the budget report for the 2019 - 2021 Biennium. This report, which is from July 1, 2019 through February 29, 2020, shows revenue of \$1,525,394.77 and expenditures of \$1,081,541.03.

OBD 2021-2023 Budget Revenue Memo

Mr. Prisby reported that the budget development process for the 2021-2023 biennium kicked off on March 17 with a webinar. One of the first steps in the process was for agencies to forecast revenue.

Database Project

The Oregon Board of Dentistry has recently contracted with inLumon, an established regulatory software provider supporting dozens of government agencies, state licensing boards and commissions in over 15 states, to implement a new Application, Licensing and Investigation system. The new system will be designed to improve efficiencies and track compliance for the issuance, renewal, and maintenance of licenses for dentists and dental hygienists within the state. The new web-based system will enable a variety of users, including applicants, current licensees, Board staff, and the public, a highly-secure and intuitive platform for easily accessing online services. Some benefits of the new system will include:

- Online portal for Applicants and Licensees to apply online, submit information and receive status updates electronically.
- Automated workflows and notifications for staff and constituents.
- Real time report generation of licensing data.

AADA & AADB Mid-Year Meetings Cancelled

The American Association of Dental Administrators (AADA) and the American Association of Dental Boards (AADB) 2020 Mid-Year Meetings scheduled for April 3-5, 2020 were like everything else, cancelled. Tentatively the annual meetings will be in the fall of 2020.
