Kristen is actively involved in various initiatives aimed at improving the quality of oral healthcare. She enjoys working with the constantly evolving oral healthcare system to emphasize the importance of quality measurement, which can lead to better oral health outcomes.

Olesya Z. Salathe, DMD, completed her undergraduate studies at George Fox University before pursuing her graduate degree at OHSU. Since 2010, Dr. Salathe has been serving her community through private practice, with offices located in Molalla and West Linn. Beyond her practice, Dr. Salathe is actively engaged in leadership roles at the county, state, and national levels within Clackamas, Oregon, and the American Dental Association (ADA). Her commitment to advancing dentistry extends beyond the clinic as she strives to shape the future of oral healthcare through advocacy and innovation. Virginia (Ginny) Jorgensen is a native Oregonian who was born and raised in Northeast Portland. She raised two daughters in Gladstone and now resides in Wilsonville. Her siblings, daughters, and grandchildren all live in the Portland metro area. As a dental assistant in general and orthodontic practices, Ginny learned about patient advocacy and the importance of dental health. Her desire to help patients have a positive experience during dental treatment guided her toward becoming a Certified Dental Assistant, an Oregon Expanded Functions Dental Assistant, and a dental assisting educator. Ginny believes that all Oregon Citizens should receive safe, quality dental care from trained, responsible dental health care workers. She is actively involved in the
