## Oregon Board of Dentistry (OBD) Proposed Rulemaking Calendar for the rest of calendar year 2025.

The OBD approved Temporary Fee Rule (OAR 818-001-0087) to implement fee increases proposed in OBD's 2025-2027 Budget (SB 5512). The new fees are effective July 1, 2025.

The Board will need to make temporary rule changes permanent before the end of the year. The Board will also review proposed rule changes recommended to it by the OBD's Rules Oversight Committee which is scheduled to meet July 17, 2025. It is anticipated that the Board will move rule changes forward after discussion at its August 22, 2025 Board Meeting out for public comment. Public comment and feedback will be considered later in the fall on any proposed rule changes.
