- Informed consent to the patient;
- Supervision and documentation of the supervision;
- Dentist signing off on the completed work;
- Level and type of training required;
- Licensing or permitting; which would be best;

Board and Staff Speaking Engagements

There have been no speaking engagements since the July 7, 2006 Board Meeting.

Web Site Update

Mr. Braatz stated that the OBD is able to monitor on a regular basis the activity and hits regarding the OBD Web site. An 80-plus page report is available on a weekly basis, tracking activity during the past week. This was a huge effort and without her dedication, it would not have been completed. The system went live August 18, 2006. Mr. Braatz demonstrated the new system to the Board and the public and stated that he would be happy to answer any questions about how it is used and what effect it will have on the public, the Board, and the staff.

UNFINISHED BUSINESS

CORRESPONDENCE

The Board received a letter from John C. Lee, D.D.S., Director, Division of Operative Dentistry, OHSU
