

# UST Compliance Program

## Underground Storage Tanks Proposed Rule Revisions 2018

May 10, 2018  
The Dalles, OR

# Program Overview

- Oregon Legislature directed DEQ to start a state-wide program in 1985.
- DEQ required tank registration a year later.

# Tank Fee Increase - HB 2168

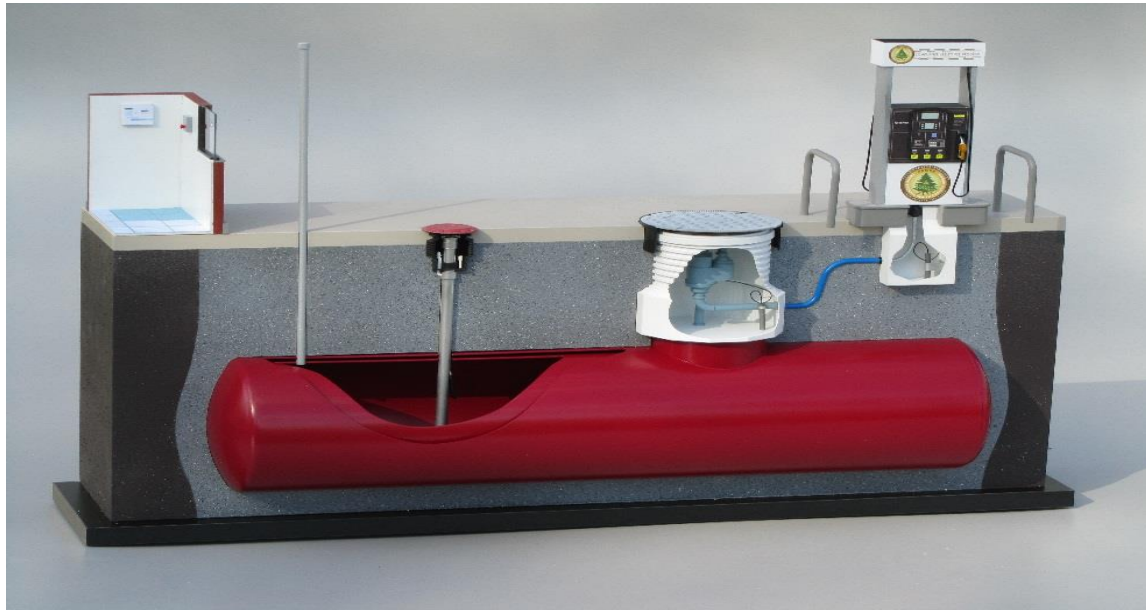

Per tank fee increased over 4 years:

- \$195 per tank for 2018
- \$245 per tank for 2019
- \$295 per tank for 2020
- \$325 per tank for 2021 and subsequent years

# Proposed UST Rules

- Release detection equipment testing
- Walkthrough inspections
- Overfill prevention equipment inspections
- Spill prevention & Sump testing

# Recommendation

DEQ recommends the EQC approve the proposed UST regulations, as seen on pages 23 through 101 and the appendices as seen on pages 163 through 168 of this staff report as part of Chapter 340 of the Oregon Administrative Rules, with the proposed rules to take effect on June 1, 2018.

# Next steps and implementation
