NOTICE OF DISPOSAL BAN

Computers, Monitors and TVs are banned from disposal in Oregon.

As of January 1, 2010, computers, monitors and TVs **CANNOT** be disposed of in the garbage or at disposal sites such as landfills, transfer stations and incinerators. They must be reused or recycled. Anyone who knowingly disposes of these items can be fined.

If your garbage and recycling is picked up at the curb:

Don't place computers, monitors and TVs in your trash, recycling bin or at the curb. Electronics require special handling and cannot be collected via your regular curbside service.

If you haul your own trash:

Solid waste disposal sites cannot accept computers, monitors and TVs for disposal. A recycling depot located at a landfill, transfer station or other site may accept them for recycling. Check with the facility first.

(see other side for FREE recycling options)

Excluded from the ban: printers and peripherals (keyboards and mice)
