Oregon Department of Environmental Quality
Hazardous Waste Technical Assistance Program

Satisfied Customer:

"The relationship we have with DEQ has been very positive and sharing. We have seen cost savings by not having to purchase vast quantities of solvent for our paint operation. More environmental and economic benefits are well on the way to prove the value of our teamwork"

- Marty Nill, Guaranty Chevrolet

WE CAN HELP YOU *know*

WHAT...

Regulations apply to your business.

HOW...

You can most efficiently comply or become exempt.

WHERE...

You can properly dispose of your wastes and cut disposal costs.

WHO...

You can call for assistance.

*Ask about our NEW
Environmental Assessment Tools*

Consultations

- Help you identify opportunities for reducing toxic chemicals and hazardous wastes, potentially lessening the regulation you are subject to, and saving you money.
- Help you determine what areas need improvement, ensuring your compliance with applicable regulations.
- Present you with practical, best management practices (BMPs) for achieving these improvements and maintaining compliance.
- Help you with Electronic Annual Reporting and Toxics Use Reduction (TUR) planning.

Training

- Offer basic hazardous waste training sessions. We also provide presentations tailored to your needs.

Phone Assistance

- Respond to your questions promptly with current information and rule interpretations.
- Provide fact sheets, vendor lists, material exchange information, and other publications.

Satisfied Customer:

"The DEQ technical service staff is a wonderful resource. I would absolutely recommend that other businesses utilize the service."

- George Baily, Airport Chevrolet

Satisfied Customer:

"By welcoming the DEQ HW technical assistance program as partners to help us reduce our hazardous materials use, we have completely eliminated one state permit and have become focused on reducing our generator status from SQG to CEG!"

- Jeff Shay, Rejuvenation, Inc.

Eco-logical Business Program

If you are an auto-related service or repair shop, or a landscape business, and would like to be certified for your environmental stewardship as an **Eco-logical Business**, call:
