Quality

Classes are free except where noted. Registration is on a first-come, first-served basis since space is limited. Registration is required.

A waiting list is maintained for the classes listed. If you need to cancel, please notify the designated contact person for the class at your earliest opportunity to allow others to attend.

Additional Classes may be added as necessary. Bookmark this page in your browser and check back periodically for updates. When accessing this link, some web browsers may display a stored version of the previous schedule. Clearing the browser cache and reloading the page should allow you to view the current schedule. Should you require any further information, please contact your regional [Solid Waste Permit Coordinator](#).

NOTE: This is **not** a Hazardous Waste Operations and Emergency Response refresher. DEQ does not offer such training, but your state or regional Occupational Safety and Health Administration office may be able to provide information on alternatives.
