

## Pollution Control Device Form **Electrostatic Precipitator**

FORM CD301 Answer Sheet

| Facility name: |                                   |  | Permi | Permit Number: |  |  |
|----------------|-----------------------------------|--|-------|----------------|--|--|
| 1.             | Name                              |  |       |                |  |  |
| 2.             | ID number or label                |  |       |                |  |  |
| 3.             | Date installed                    |  |       |                |  |  |
| 4.             | Manufacturer                      |  |       |                |  |  |
| 5              | Model number                      |  |       |                |  |  |
| 6.             | Type (wet or dry)                 |  |       |                |  |  |
| 7.             | Rated efficiency (%)              |  |       |                |  |  |
| 8.             | Inlet gas pre-treatment?          |  |       |                |  |  |
| 9.             | Number of fields                  |  |       |                |  |  |
| 10.            | Design primary voltage            |  |       |                |  |  |
| 11.            | Design secondary voltage          |  |       |                |  |  |
| 12.            | Design primary current            |  |       |                |  |  |
| 13.            | Design secondary current          |  |       |                |  |  |
| 14             | Design inlet gas flow rate (acfm) |  |       |                |  |  |
