Email:		Phone:	

## Request for temporary storage

Under OAR 340-096-0270(3), DEQ may allow a waste tire carrier permittee to use up to two covered containers to collect waste tires. A maximum of 2,000 tires may be collected at any one time for up to 90 days, beginning with the date when a waste tire is first placed in a container. The containers must be located at the permittee's main place of business.

Would you like approval to temporarily store waste tires at your main place of business?

Yes       No

## Operating plan

### Temporary storage

If applicable, please provide the following information for your main place of business.

Site Name:			
Site Address:			
Site Contact Information			
First Name:		Last Name:	
Email:		Phone:	

## Vehicle information

Please provide the following information for each vehicle that will be used to haul waste tires. Attach more sheets, if necessary.

License Plate Number	License Issuance State/Province/Country	Legal Owner of Vehicle	Vehicle Make/Year

## Delivery sites

Under OAR [340-096-0270\(3\)](#), a waste tire carrier must deliver waste tires for storage or disposal at an Oregon DEQ permitted waste tire storage site, at a disposal site permitted by DEQ to store waste tires, or at another site approved by DEQ, such as a site authorized to accept waste tires under the laws or regulations of another state.

**Delivery site information: Oregon DEQ permitted waste tire storage and disposal sites**

Please identify the Oregon DEQ permitted waste tire storage and disposal sites where you plan to transport waste tires to. Attach more sheets, if necessary.

**Estimated start date**

This information is only required for new and modification applications. For new applications, the estimated start date provided will be used to calculate whether a solid waste permit compliance fee is due. Applicants planning to start carrier activities after April 1 and on or before June 30 (i.e., April 2 through June 30) will not owe this year's solid waste permit compliance fee. This information will not impact modification application fees. What is the estimated start date of the new/modified carrier activities?

Date (mm/dd/yyyy):	
--------------------	--

## Additional information

Do you currently have, or anticipate having, any other DEQ Permits/Licenses/Certificates?  Yes  No

Do you currently have, or anticipate having, any non-DEQ Permits/Licenses/Certificates?  Yes  No

If you answer "Yes" to either of the above questions, you must attach a list of all the applicable permits, licenses, and certificates to this application.

## Description of modification

Only required if you are applying for a permit modification. Please summarize the reason for the requested modification. If you need additional space, please describe in separate attachment.

## Waste tire carrier application fee schedule

There are no Fees for Renewal or Modification Applications.

New Permit Applications	
Permit Application Processing Fee	\$25.00
Solid Waste Permit Compliance Fee	
Estimated Start Date of Carrier Activities (April 2 through June 30)	\$0.00
Estimated Start Date of Carrier Activities (July 1 through April 1)	\$200.00
<b>Total fee</b>	<b>\$</b>

## Signature (applicant responsible official)

## Required attachments

For your application package to be complete, you must include all applicable items listed below. Note: For new permit applications you must include items 1 - 4 (and 5, if applicable); for renewal and modification applications, you may be required to submit updates of any of the items listed below. If you have questions regarding attachment requirements, please check with the regional permit coordinator.

1. A completed and signed Waste Tire Carrier Permit Application
2. Financial Assurance (example: bond, insurance, trust)
3. List of all applicable permits/licenses/certificates as noted in Additional Information section of application.
4. Fees – New permit applications must include the applicable fee payment. Make checks payable to Oregon Department of Environmental Quality or Oregon DEQ.
5. Certificate of Business Registry – If your business is a registered business with the State of Oregon, please attach your Certificate of Business Registry. Online forms available at <http://www.filinginoregon.com/forms/index.htm>.

Please mail the original signed application and email one complete copy of the application package to the appropriate regional office. Action will not begin on incomplete application packages and will be returned. DEQ recommends retaining a copy of all application materials to guard against loss in transit.
