NAME CHANGE AND/OR TRANSFER INSTRUCTIONS

A. ACTION TO BE PERFORMED

Check the appropriate box to indicate a name change and/or permit transfer.

- For a *name change*, provide the effective or scheduled date of the name change. Please note that for name changes, DEQ prefers to process your request after the name has been legally changed to avoid incorrectly modifying its files should the change not occur.
- ♦ To *transfer a permit* to a new owner, provide the date on which you want the transfer to occur. Transfer will not occur until DEQ has received the appropriate signatures and fee and reviewed the transfer information. Approval of a transfer may take up to 30 days to process.

The Facility Contact is the person located at the facility that has specific knowledge of the facility or operation under permit (for example, the treatment plant operator), and may be contacted if there are specific questions about this application.
- 5. Enter invoicing information for billing purposes if different from new legal name (for example, "Invoice To: Business Office").
- 6. Complete as indicated. Attach an explanation if changes are being made to the discharge regulated by the current permit.
