

# Landfill Gas Emissions 2021 Rulemaking

## Agenda

### Advisory Committee Meeting #1

Tuesday, Jan. 19, 2021, 12 p.m. to 4 pm

Web-based meeting

#### The first session will address the following rulemaking objectives:

- Committee members understand the basics of landfill gas emissions and their role as a greenhouse gas
- Committee members understand DEQ's position and authority for enhancing landfill gas emission rules
- Committee members understand basics of existing rules in Oregon, Federally, and adjacent states
- DEQ understands committee members' level of support, questions and concerns about landfill gas emissions and greenhouse gas
- Committee members provide, as follow-up to the meeting, any relevant information they may have regarding efficacy of landfill gas emission rules
