The 2017-19 Legislatively Approved Budget authorizes DEQ to increase MS4 permit fees to raise an additional \$480,000 in fee revenue for a total of \$600,000 for the biennium (\$300,000 per year). The fees are to fund one NRS4 position and one NRS3 position to implement the MS4 program. The MS4 fee increase will be applied to the permit fees in OAR 340-045-0075, and the fee for Municipal Separate Storm Sewer System in Table 70H. The proposed MS4 fee structure uses population multiplied by a cost-per-person, except counties where a fixed rate applies. Other than counties, the cost-per-person is \$0.121. Population data is from Portland State University [Population Research Center](#).
