

Application for Basic Air Contaminant Discharge Permit
Other Sources Requesting Enforceable Limits

Form AQB-008
Application

DEQ Use Only		
Permit number:	Regional office:	
Application No:	Check number:	
New <input type="checkbox"/> Renewal <input type="checkbox"/>	Amount (\$):	Date Received:
Staff initials:	Approved date:	

1. Company information:

Legal Name:			Other company name (if different from legal name):		
Mailing Address:			Site Address (if different than mailing address):		
City:	State:	Zip Code:	City:	County (required):	Zip Code:
Standard Industrial Classification (SIC)			Number of employees:		

2. Review the list of 'Activities and Sources' ([OAR 340-216-8010 Table 1](#)). Is your source, facility, or operation subject to any category listed (other than Part B. #84 or #85)? Yes No

- a. If yes, the facility is not eligible for this Basic ACDP.
- b. List any categories from the table (Part A, B, or C and number; e.g. Part B.#53) that are performed (or planned to be performed on site) but that are below (or expected to be below) the thresholds established on the table:

3. Briefly describe all activities, operations, and equipment that generates or can generate air emissions:

4. For each activity, equipment, or process listed above, fill out the appropriate [AQ200](#) series form. For any process that doesn't have a specific form, use form AQ230.

Have you attached or otherwise included all necessary AQ200 series forms? Yes No

5. Are you requesting that DEQ establish enforceable limits on your source, facility, or operations to below the following emission thresholds? Yes No

Actual emissions, if the source were to operate uncontrolled [8,760 hours of operation per year], of:

- 5 or more tons per year of direct PM2.5 or PM10 if located in a PM2.5 or PM10 nonattainment or maintenance area, or
- 10 or more tons per year of any single criteria pollutant if located in any part of the state.

Application

6. Can all of your equipment, activities, and air pollution generating processes be limited with an hourly or production limitation that can be tracked or otherwise continuously recorded? Yes No

7. Describe the hourly or production limits that may work best for each activity or process:

8. Do your operations currently use any air pollution control devices? Yes No

If yes, review [AQ300](#) series forms and submit the appropriate ones with this application. Have you attached all necessary AQ300 series forms? Yes No

9. Are any processes, activities, or equipment on site (or planned) subject to 40 C.F.R. part 60, 61, or 63? (New Source Performance Standards (NSPS) and National Emission Standards for Hazardous Air Pollutants (NESHAP)) Yes No

10. If you burn or use (or plan to burn or use) natural gas on site, list the projected or actual maximum cubic feet of natural gas burned in a year: _____ cu ft/yr.

11. If you burn or use (or plan to burn or use) any other fuel(s) than natural gas on site, list the projected or actual maximum amount of fuel use per year with units (e.g. Ultra Low Sulfur Diesel, 500 gallons):

12. Review the industries, operations, and activities listed in OAR chapter 340 divisions 232, 234, and 236. Do you have any of these processes or activities on site or planned to be on site? Yes No

If yes, your source is not eligible for this Basic ACDP.

13. A Land Use Compatibility Statement [LUCS](#) must be submitted with applications for new permits. Have you attached or included an approved Land Use Compatibility Statement? Yes No

14. Signature

I certify that the information contained in this application, including any schedules and exhibits attached to the application, are true and correct to the best of my knowledge and belief.
