

# Air Toxics Science Advisory Committee Meeting #4: Preparation Meeting for TRV Proposals

January 15, 2025

The Oregon Department of Environmental Quality (DEQ) and Oregon Health Authority (OHA) are currently reviewing the inhalation toxicity reference values (TRVs) used in DEQ's air quality programs.

At this meeting, DEQ and OHA will share an overview of the TRV update materials for ATSAC to review before the next series of ATSAC meetings in February 2025. These materials include all the updated TRV proposals and relevant background information for some specific chemicals. **ATSAC members do not need to prepare for Meeting #4 in advance.**
