

BOB'S METALS
INDUSTRIAL SCRAP METAL RECYCLING

November 19, 2021

Mr. Bruce Schacht
Environmental Engineer
Columbia Steel Casting Co.
P.O. Box 83095
Portland, OR 97283-0095

Dear Mr. Schacht,

All scrap metal sold to Columbia Steel Casting Co. identified as foundry, foundry scrap, or induction scrap is free of material containing CFCs, mercury switches or material containing mercury, lead components, engine blocks, oil filters, radioactive material, asbestos, oils or fluids.

Bob's Metals does not sell scrap material from motor vehicles to Columbia Steel Co. All scrap metal sent is plate and structural steel.

All scrap delivered to Columbia Steel complies with the terms of your "Pollution Prevention Scrap Management Program" specification, a copy of which we have received.

Sincerely,

Mike Weinstein, President
BOB'S METALS, INC.
