Dear Ms. Porter,

DEQ has reviewed the information submitted in response to the information request regarding Exempt Toxics Emissions Units (TEUs) issued to you on April 13, 2022. The information that you have provided is sufficient to demonstrate that activities or operations at your facility no longer defined as Categorically Exempt TEUs under the Cleaner Air Oregon (CAO) program [OAR 340-245-0060(3)] meet the criteria in OAR 340-245-0060(3)(a) to remain Exempt TEUs. Further, the information provided is sufficient to meet the reporting requirements for Exempt TEUs under OAR 340-245-0040(4)(a).

No further action is required on your part related to this information request at this time. If you have any questions regarding this letter please contact me directly at 503-866-8741 or kenzie.billings@deq.oregon.gov, and I thank you for your assistance with this process.

Sincerely,
