Oregon E-Cycles – Prospective PROs for the 2026 Program

DEQ's E-Cycles Program put out a voluntary call for information from prospective producer responsibility organizations, in anticipation of the modernized program starting in 2026. The following is a list of prospective PROs who responded and stated an intent to submit a program plan to operate in 2026. This list should be used for informational purposes only and is meant to help interested parties as program planning begins.

DEQ will continue to update this list as prospective PROs reach out.

Additional Information

In 2023, the Oregon Legislature passed House Bill 3220, a law that modernizes the Oregon E-Cycles program by expanding the types of electronic devices that will be accepted by the program and strengthening the convenience requirements for program services, among other changes. This modernized program will begin in 2026.
