Oregon Department of Environmental Quality

RE: 2022 Annual Clean Fuels Program Report

Dear Cory-Ann,

This letter is to serve as Clatskanie People's Utility District's annual report to comply with OAR 340-253-0540(11), which specifies reporting requirements related to Oregon DEQ's Clean Fuels Program (CFP);

- (a) In 2022 Clatskanie received revenue from the sale of 57 CFP credits related to residential EV charging in the amount of \$6,840.
- (b) Clatskanie PUD did not have revenue or expenditure related to the CFP exceeding \$250,000 for 2022, so this section is not applicable.
- (c) Clatskanie does not have any programs that are directly attributable to revenue from the sale of base CFP credits, so this section is not applicable.
- (d) Clatskanie PUD did not receive any revenue from the sale of incremental credits in 2022, so this section is not applicable.

Sincerely,

Ian Bledsoe
Senior Power Analyst
Clatskanie People's Utility District
