April 27, 2026

Dear Ms. Walters:

For our annual report on the use of Clean Fuels Credits, please accept the following information:

The City of Cascade Locks is a municipal electric utility serving 2,000 people in the Columbia River Gorge. It is the second smallest municipal electric utility in the state located on Interstate 84 at the Bridge of the Gods. We have one EV charging station located in the Eastgate Park (Cemetery) Parking Lot on Wa Na Pa Street and Lakeside Drive. We also have 3 charging station located in the Thunder Island Brewery Parking Lot at 601 a Na Pa Street. We will soon have another EV charging Station at the Bridge of the Gods Motel located at 616 Wa Na Pa Street. Cascade Locks' share of any available Tier 1 RECs is transferred into Cascade Locks' BPA-managed WREGIS account.

Thank you.

Gordon Zimmerman  
Interim City Administrator
