Oregon Clean Fuels Program Manager  
Oregon Department of Environmental Quality

**RE: 2025 Annual Clean Fuels Program Report**

This letter is to serve as Clatskanie People's Utility District's annual report to comply with OAR 340-253-0640(11), which specifies reporting requirements related to Oregon DEQ's Clean Fuels Program (CFP);

- (a) In 2025 Clatskanie received revenue from the sale of CFP credits in the amount of \$59,240.
- (b) Clatskanie PUD did not have revenue or expenditure related to the CFP exceeding \$250,000 for 2025, so this section is not applicable.
- (c) In 2025, Clatskanie PUD funded the replacement of DC fast charging infrastructure at Clatskanie Middle High School. The total project cost exceeded the CFP revenue received; however, \$59,240 of CFP revenue was allocated toward this project. Of this amount, \$52,388.48 was for equipment and \$6,851.52 was for installation costs.
- (d) Clatskanie PUD did not receive any revenue from the sale of incremental credits in 2025 so this section is not applicable.

Sincerely,

Ian Bledsoe  
Senior Power Analyst  
Clatskanie People's Utility District
