

## **2021 Clean Fuels Program Annual Report**

Northern Wasco County PUD (NWCPUD) received \$32,250 in revenue from the sale of base credits. These credits were a result of residential electric vehicle charging in 2020.

The funds from the sale of base credits have provided the following to NWCPUD in 2021:

- Successfully continue to offer rebates to customers who purchase an EV Level 2 charger.
- EV Digital Toolkit subscription with ChooseEV.
- The purchase and installation of an additional Clipper Creek dual port Level 2 charger that is placed in the main parking lot at NWCPUD's office. Existing Clipper Creek charger was relocated to employee parking for further use.
- Participation in the GoForth CarShare program.
