RE: Annual Reporting on Credit Revenue

To Whom It May Concern:

Of the revenue received, $50,000 was allocated for an electric vehicle incentive program for our members. This program is run in-house. The remaining funds are being held in reserve for future projects or programs.

Sincerely,

Member Services Manager
The Clean Fuels Program (CFP) Credit Transfer Form is used by the Oregon Department of Environmental Quality (ODEQ) to document transfers of CFP credits between a Transferor (Seller) and a Transferee (Buyer). This form is used as a record of the information entered into the CFP Online System to adjust the credit balances of both the Seller and Buyer due to a credit transfer.

**Important:** This form must be used each time a credit transfer agreement has been made, regardless of the number of credits transferred and the price per unit credit. Only credits that have been generated and recognized in the CFP Online System can be traded, and transfers must be in compliance with the rules of OAR 340-253.

**Instructions:**

This CFP Credit Transfer Form must be completed by the Seller first and provided to the Buyer for confirmation. The Buyer is responsible for submitting the form to ODEQ for timely processing and recording of the transfer.

The following information should be available prior to completing the form:

1. Seller and Buyer's organization names as they appear in the CFP Reporting Tool.
2. Seller and Buyer's organization FEINs as they appear in the CFP Reporting Tool.
3. Authorized representatives of both the Seller's and Buyer's organization (including name and contact information).
4. The number of credits to be transferred.
5. The information submitted is subject to ODEQ verification. The Seller and Buyer may be contacted by ODEQ to confirm the transactions reported. DEQ may request underlying documentation for all credit transfers, including contracts or confirmations.
