RE: Annual Reporting on Credit Revenue for 2025

To Whom It May Concern:

- (a) During 2025, clean fuels credit sales were \$713,500. Funds are kept in reserve for future projects.
- (b) No CFP related administrative costs.
- (c) Of the funds sitting in reserve, \$50,000 was used to fund an in-house EV charger incentive program for members; \$67,623.63 was used to purchase an electric fleet vehicle; \$13,466.67 was used to purchase EV chargers that were installed on our service territory.
- (d) No revenue from incremental credits.

Sincerely,

A handwritten signature in blue ink that reads 'Jacob Knudsen'. The signature is fluid and cursive, with a long horizontal stroke extending to the right.
