**Re: Oregon Clean Fuels Program – Annual Utility Report for Calendar Year 2025**

In accordance with OAR 340-253-0640, Umatilla Electric Cooperative submits the following for calendar year 2025:

- (a) Total revenue from the sale of base and incremental credits attributable to residential vehicle charging, if applicable in the prior year;

**Total revenue from the sale of base credits in 2025 was \$153,400.**

- (b) For entities whose revenue or expenditures exceed \$250,000 in a given year, the percentages that result when dividing the utility's CFP-related administrative costs, including but not limited to submitting reports, selling credits, and to administer any programs that were funded by CFP revenue from the utility's sale of incremental credits, including but not limited to project management and development and management of contracts to operate such programs by the amount of revenue reported under subsection (a);

**Not applicable; did not exceed \$250,000 in 2025.**

- (c) A description of the programs that were funded by CFP revenue the utility received from its sale of base credits and the amount spent in each category in the prior year; and

**The revenues from the sale of base credits were used to purchase and install four electric vehicle chargers at UEC's headquarters building in Hermiston, Oregon.**

- (d) A description of the programs that were funded by CFP revenue from incremental credits, the amount spent in each category in the prior year, a description of the class of individuals or listing of organizations that benefited from the programs, and any other data elements that DEQ informs each utility receiving incremental credits that it will require following consultations with the Equity Advisory Committee created under OAR 340-253-0330(12)(j).

**No programs were funded by CFP revenue from incremental credits in 2025.**
