

## Columbia River PUD

### 2024 CFP Annual Utility Report

No revenue was received in 2024 from the sale of base credits (although credits were generated and received, none were sold this year). CRPUD does not participate in incremental credits.

The amounts spent in 2024 are as follows:

- Purchase and installation of two DC Fast Chargers and one Level 2 Charger for a public EV charging station at the Scappoose Bay Marina, \$216,912.
- EV Charger rebates to electric customers in the PUD service area, \$8,500
- CLEAResult Consulting, Inc., EV Toolkit annual license, \$4,000
- ChargePoint, multi-year maintenance plan and miscellaneous repairs for EV chargers already in use, \$15,770
