Coos- Curry Electric Cooperative (CCEC) is a member-owned, not-for-profit electric cooperative serving 14,011 members with 18,413 meters and 1,679 miles of line. We are located on the southern Oregon coast encompassing Coos, Curry, and a portion of Douglas counties.

In compliance with the annual reporting requirements for the Oregon Clean Fuels Program (CFP), we respectfully submit the following information for the 2024 calendar year:

- **Revenue from CFP Base Credits:** CCEC received \$126,990 in revenue from the sale of CFP base credits in December 2024.
- **Use of CFP Revenue:** No programs were funded using CFP revenue during the 2024 calendar year. This was because the revenue noted above was received late in the year (December 2024). CCEC plans to utilize this CFP revenue to fund eligible programs beginning in 2025.
