

West Oregon Electric Co-op
652 Rose Ave.
Vernonia, OR. 97064

In 2024 WOEC strategized on an EV outreach program.

Total 2024 OCFP credit Revenue: \$31,195

WOEC will use the CFP revenue to invest in system planning for EV readiness and Education/Outreach tools for member EV adoption. Specifically, engineering studies to assess system capacity to accommodate EV Charging in Vernonia and Partnership with ChooseEV to conduct member surveys and provide a website EV Toolkit for members to use.
