Introductions

- Name, pronouns, and organization (if applicable)
- Where you are calling in from
- What is something you want to learn more about, related to this work – or not

Goals for our meeting

1. Offer an opportunity for public comment
2. Familiarize EAC with other happenings at DEQ and in Oregon related to this work
3. Share next steps related to the CCI entity RFA
4. Hear updates and additional thoughts from EAC members

Relational agreements

- Be curious, open, and be willing to disagree without being disagreeable.
- Be committed to building trust-based relationships.
- While intentions may be good, recognize impact of words and actions. Acknowledge when harmful and be willing to explore that.
- Take space/make space – if you are usually quiet challenge yourself to take more space, and if you usually talk a lot be mindful to make space for others to speak.
- Avoid jargon, acronyms, and industry language – use inclusive language that is accessible for people with varying inside knowledge.
- Speak from your own experience – use I statements rather than generalizations.

Public comment opportunity

- Raise hand and we will prompt you to unmute

DEQ updates

- CCI Entity Request for Applications
- Oregon's Climate Pollution Reduction Grant
- Environmental Justice Council Coordinator
- Environmental Justice Mapping Tool Development
- Climate 2023 Rulemaking

Climate Pollution Reduction Grants

- \$5 billion from federal Inflation Reduction Act of 2022
- “Grants to states, local governments, tribes, and territories to develop and implement plans for reducing greenhouse gas emissions” –EPA
- Phase 1: \$250 million for developing CPRG planning grants
 - \$3 million for each state
 - \$1 million for large metropolitan areas (Portland/Hillsboro/Vancouver is the only one large enough in Oregon)
 - \$TBD for tribal governments
- Phase 2: \$4.6B for implementing those plans

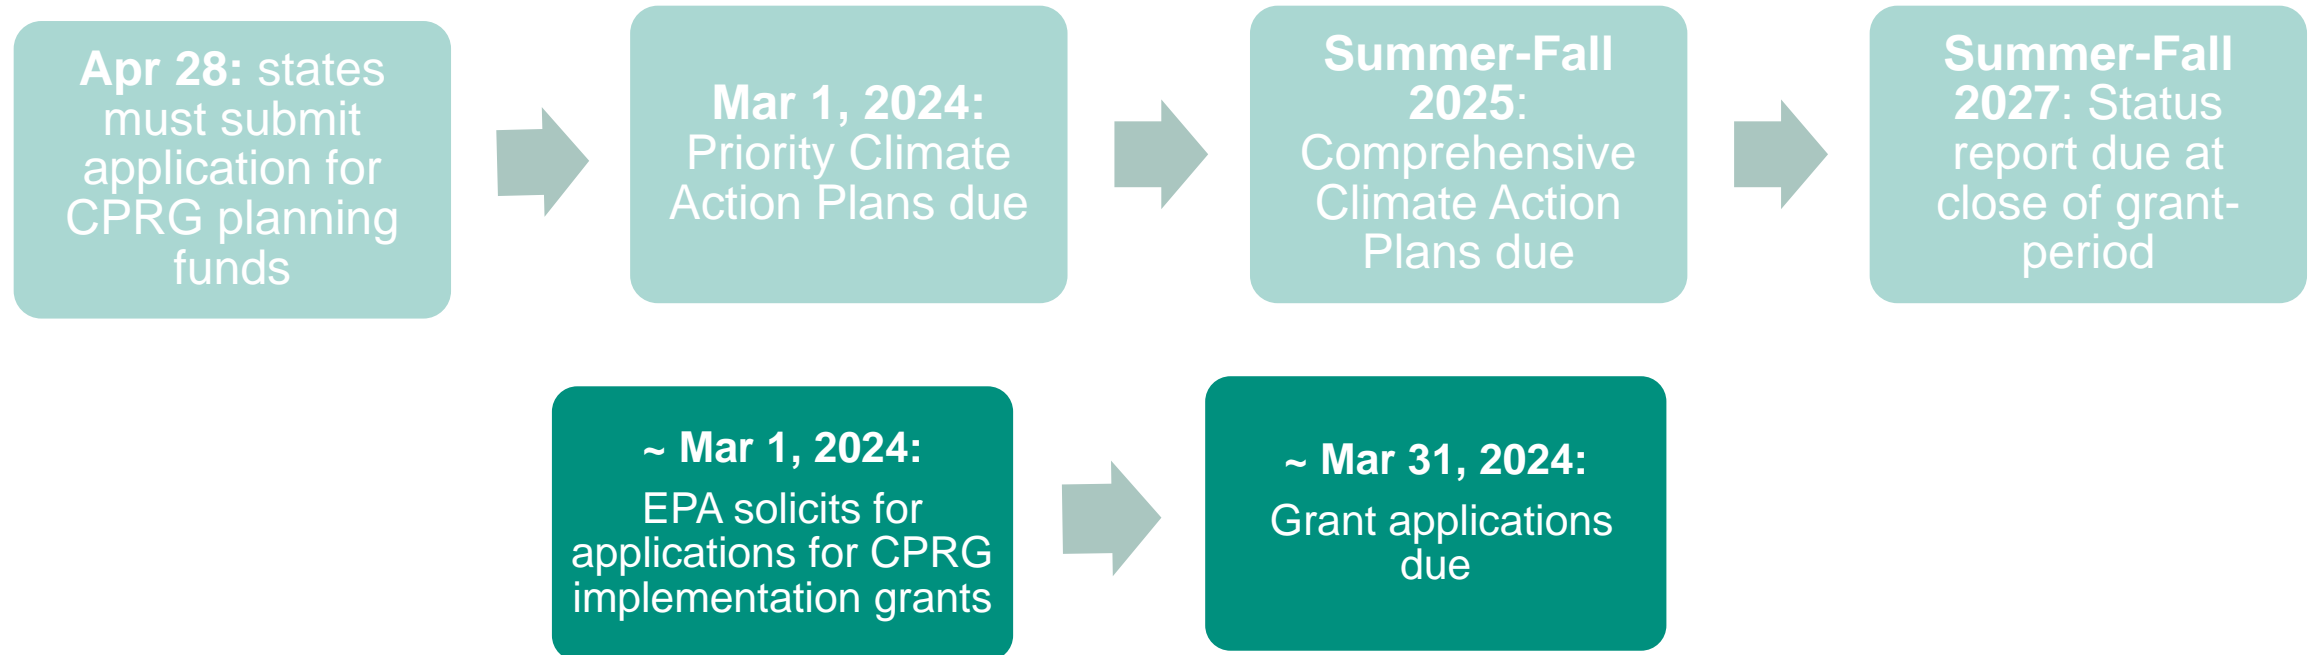

States' CPRG Planning & Timeline

- Priority Climate Action Plans
- Comprehensive Climate Action Plans

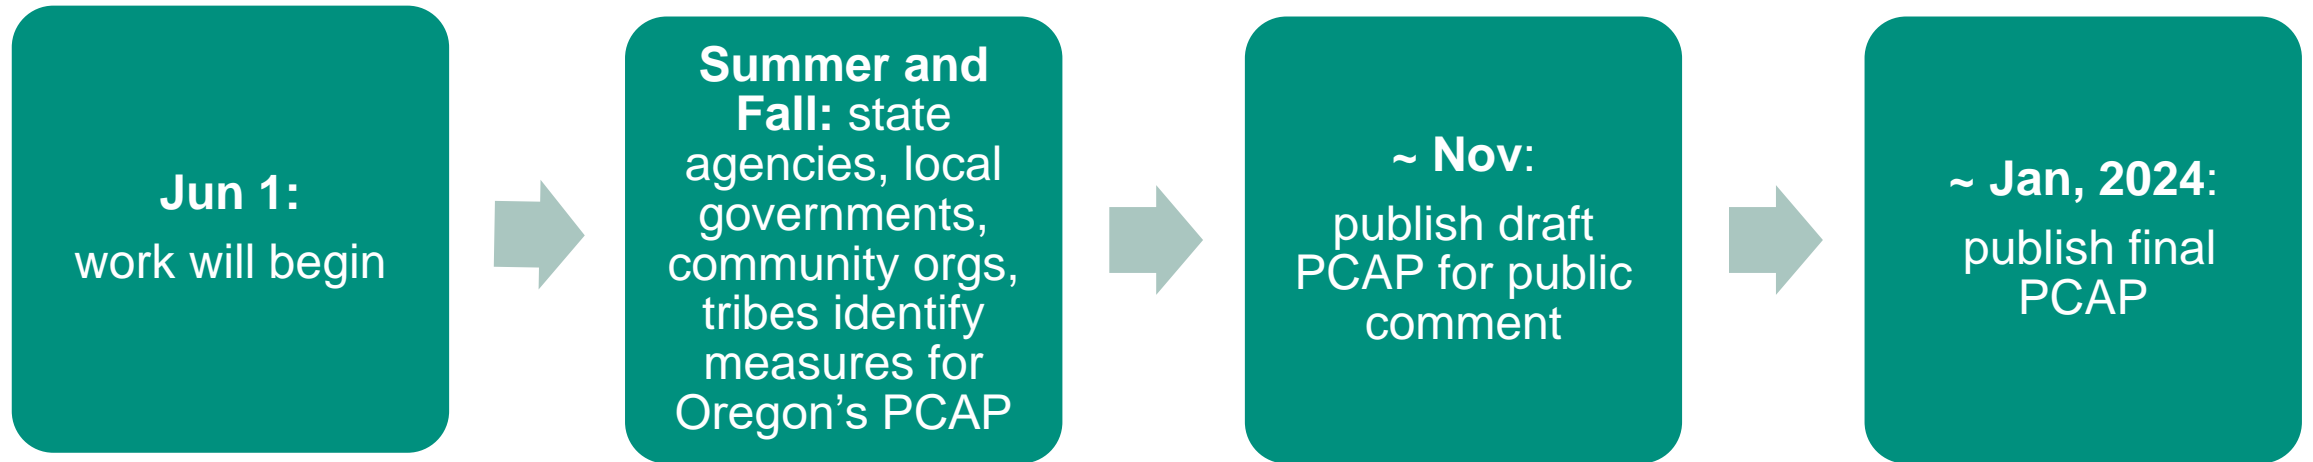

States' CPRG Planning & Timeline

- Priority Climate Action Plans
- Comprehensive Climate Action Plans

Oregon's Priority Climate Action Plan

- Start from existing climate plans, such as Global Warming Commission's recent Roadmap to 2030
- Build upon that with input from across state government, local governments, community organizations, and Oregon tribes
 - Coordinate with Metro to align with their Portland metropolitan PCAP

Oregon's Comprehensive Climate Action Plan

Comprised of 4 elements:

- Oregon Statewide Energy Strategy
- Gap analysis
- Natural & working lands carbon inventory
- Continued community engagement to identify barriers for EJ communities in accessing clean energy

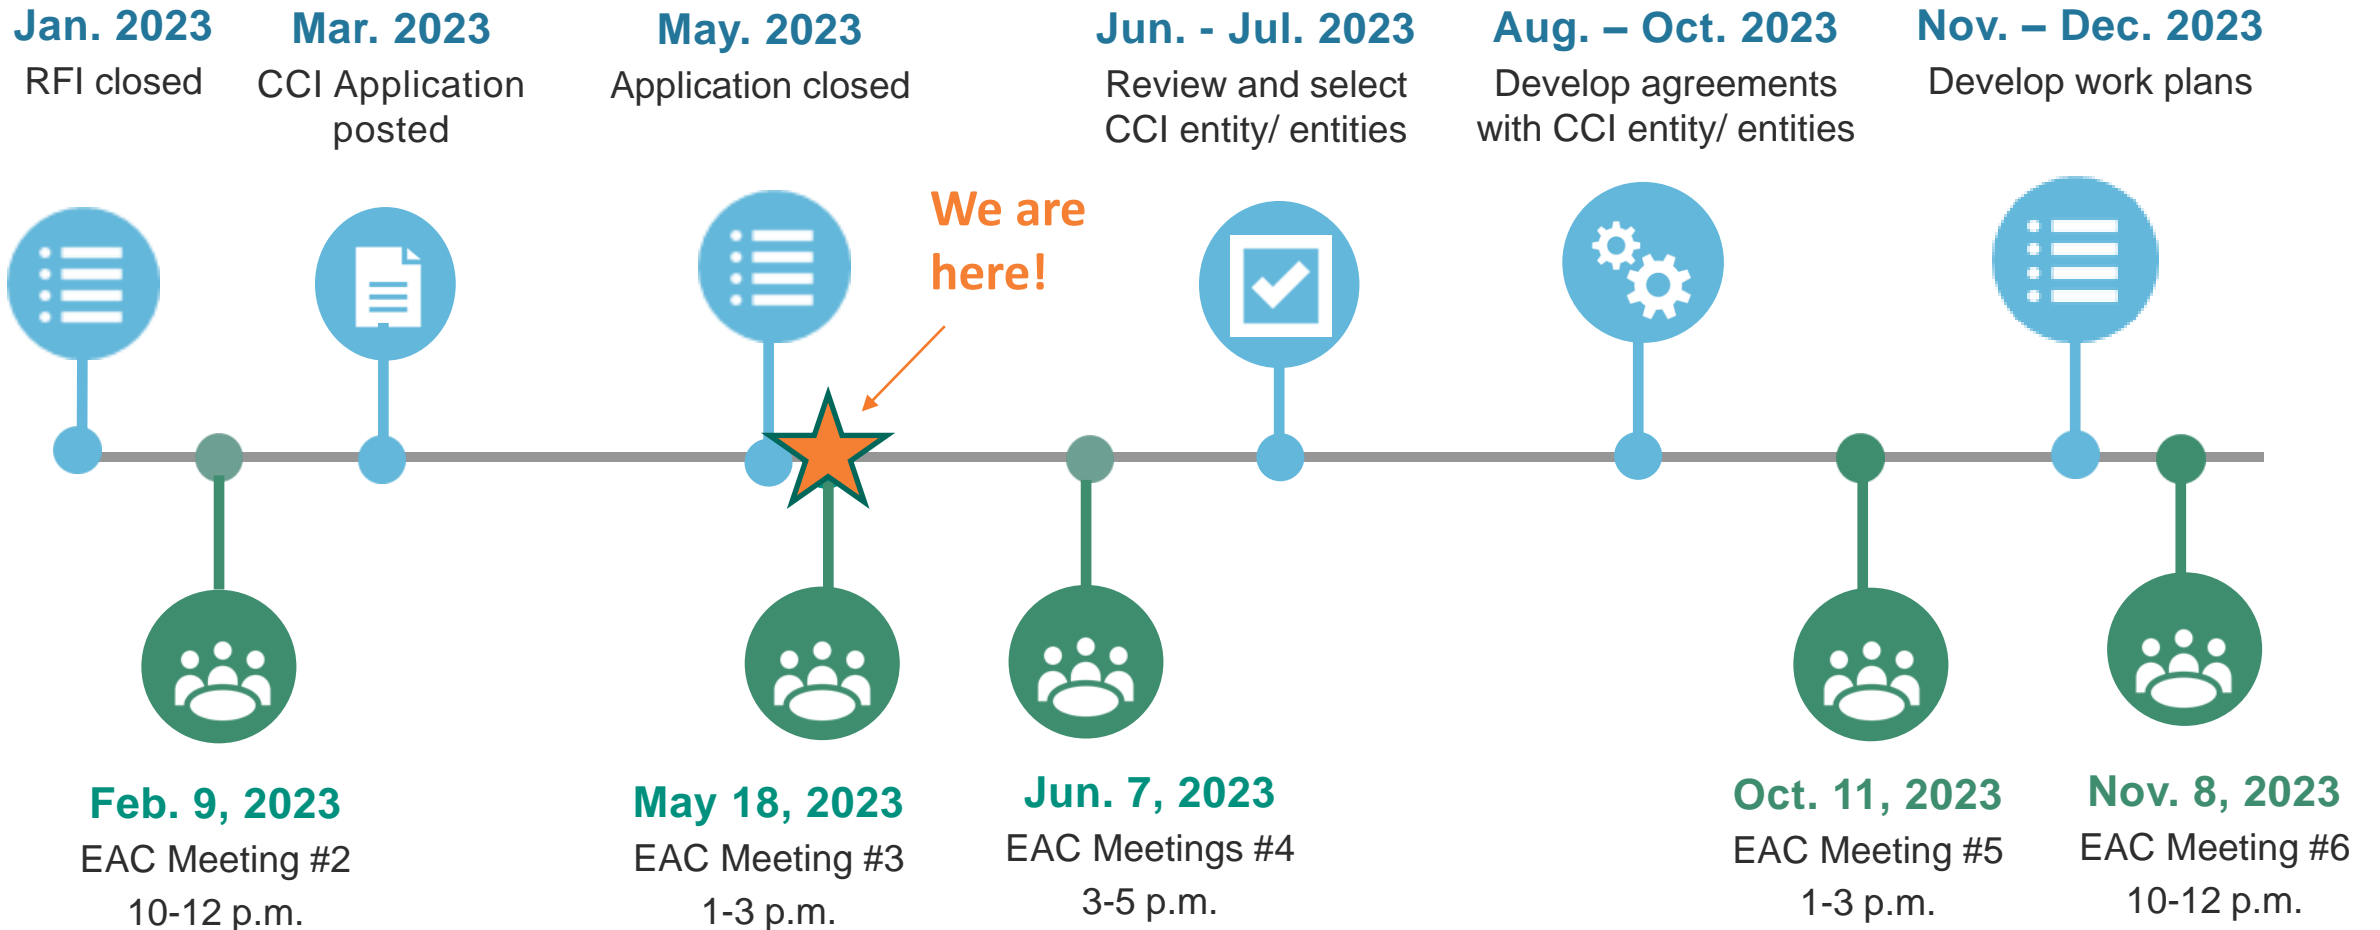

EAC member updates and ideas

Feel free to share with the group any conversations, feedback, suggestions, or ideas

Are there any upcoming community events where it would be valuable for DEQ to support sharing information about the Climate Protection Program or Community Climate Investments?

What challenges and/or priorities do you and/or your communities have in this moment (related or unrelated to climate)?

Working timeline

Thank you
