Applying entity's culture

Refer to the instructions for assistance and additional details. **All questions have a set limit of characters; respecting the character limits is strongly recommended.** Please see instructions for additional aid.

Question A. Values

What are your organization's mission and core values? In what ways are your mission and/or core values linked to diversity, equity and inclusion? **(2000 character limit with spaces)**

Question B. Accountability

How does your organization hold itself accountable for racial equity, diversity, and inclusion?
(2000 character limit with spaces)

Question C. Training

What informal or formal training is provided to staff and leadership to learn about **racial equity, diversity, and inclusion**? Please be as descriptive as possible. (3000 character limit with spaces).

Question D. Sustainability

What does sustainability mean to your organization? How do you put it into practice? (3000 character limit with spaces)

Applying entity's project details

Question 1. Project description

- a) Provide a project/plan description. What environmental need does this project address? Does it address economic and environmental needs as well? (3500 character limit with spaces)

b) Where will this project be implemented? (e.g., cities, counties, statewide) (1000 character limit with spaces)

c) What are the goals of the project and how will the project success be measured? Describe if your outcome measurement tools are culturally responsive to the population to be served, such as describing strengths and challenges of the outcome measurement tools for the population. (3500 character limit with spaces)

Question 2. Project resources and commitment

- a) Identify the key people who will be involved in developing and implementing the project and describe their roles. The personnel and supplies mentioned in your budget, later in the application, must be mentioned here, so DEQ understands the link between what is being funded in your budget and your project. In addition, explain the stakeholders or community support. (3000 character limit with spaces)

b) If applicable, provide a list of in-kind contributions to the project. (2000 character limit with spaces)

Question 3. Potential for Project Continuity/Ongoing Benefits

Describe how this project will achieve benefits beyond the grant period. (2000 character limit with spaces)

Budget

Complete all sections of the budget. **“Matching Funds” are cash contributions ONLY**, used to support the grant project. (**“In-kind contributions”** such as office space, goods or services, and labor should NOT be reported here, but listed in Question 2b) above.) Please note: any matching funds from local governments, partners, or other sources that may potentially be funds that came from the federal government MUST be disclosed.

(A) **Personnel Costs** - List key people of your organization who will be working on the project. Include their names, titles, salaries and costs of benefits, such as quoted payments for insurance, retirement, social security, etc. Include the indirect cost rate, which is expected to be included in your budget. Please give subtotals of funds requested, matching funds, and total costs in the spaces provided.

DEQ will compare the budget wages to the current minimum wage or prevailing wage for your region and industry. If you are budgeting a “trainee/apprenticeship wage”, explain below the table what wage you plan to eventually assign to the trained staff.

Non-profit organization and small business supplemental questions

Complete this section only if the APPLICANT is a nonprofit organization or small business (does not apply to non-profit subcontractors to local governments).

1. Financial statements

- a. Does your organization have an independent audit of its financial statements conducted annually?
Yes No

If no, why doesn't your organization have audited financial statements? (1000 character limit with spaces)

- b. If yes, what opinion did the auditor report? (Unqualified or "Clean")
(A 'clean' audit report means the auditors have provided an Unqualified Opinion. That means the financial statements were presented in accordance with GAAP (Generally Accepted Accounting Principles), and there were no reported material weaknesses with the data presented or with the internal controls of the entity.)
 Unqualified (or "Clean")
 Finding other than Unqualified (or "Clean")

For findings other than "Clean," what were those findings and what steps are being taken to address audit issues? (1000 character limit with spaces)

- c. If you have received previous grant or contract awards from DEQ, please provide the contract/document numbers.

2. Financial management controls

Describe briefly your financial management and accounting procedures:

Include: (1500 character limit with spaces)

- Your financial management structure (i.e., who has control of finances), including the roles and responsibilities of those (including Board members) involved, and your financial reporting systems and policies.
- Financial controls (e.g., expense tracking and approval procedures, and separation of duties)
- Systems for monitoring project finances (e.g., reports or software that provide an overview of current financials against project budgets).

3. Revenue

Describe your organization's primary sources of revenue for the last three years.

What percentage of your annual revenue for each of the last three years was supplied by your largest three revenue sources (e.g., largest donors, grantors, fees for service, etc.)? (1000 character limit with spaces)

4. Financial records

Attach copies of the following for the most recent three years, or all available if the organization is less than three years old. Examples:

- Income statements
- IRS Form 990
- Profit & Loss statements

I have attached final records copies to this application: Yes No

5. Indirect costs (overhead)

If your organization is charging an indirect cost rate, what is your rate? Charging an indirect cost rate is expected.

Not Applicable

Please note: If your organization is charging an indirect rate, that indirect rate CANNOT be greater than 10%, unless you have a negotiated indirect rate with the federal government. If you have a negotiated agreement with the Federal Government, please supply executed letter with Federal Agency. Additionally, the indirect rate that is charged to DEQ cannot be higher than what is charged against any other provider of funding.

6. References

Provide three former/current grantor references or partner references. Include name, title, email address and telephone number, along with a one sentence summary of the work performed with the grant funding.

	Reference 1	Reference 2	Reference 3
Grantor/Partner			
Contact Name			
Title			
Email			
Phone			
Work Performed			

7. Support of local jurisdictions

It is not mandatory, but DEQ encourages applying entities to learn about their local government's current objectives and plans. Maybe your city or county is working within a similar industry as your project. If so, it is important to complement each other's efforts. Did you explore your city's or county's solid waste management or materials management plan? Describe your efforts to seek **support from jurisdictions** within the service area of your project and the outcome of those contacts. Letters of support from local governments in the service area of your proposed project are highly recommended. (1500 character limit with spaces)

Tribe/government/schools supplemental questions

Only complete this section if the APPLICANT is a tribe, government or school.

1. When was your last independent audit? (1000 character limit with spaces)

2. What opinion did the auditor report?

(A 'clean' audit report means the auditors have provided an Unqualified Opinion. That means the financial statements were presented in accordance with GAAP (Generally Accepted Accounting Principles), and there were no reported material weaknesses with the data presented or with the internal controls of the entity.)

Unqualified (or "Clean")

Finding other than Unqualified (or "Clean")

For findings other than "Clean," what were those findings and what steps are being taken to address audit issues? (1000 character limit with spaces)

3. If you have received previous awards from DEQ, please provide the grant contract numbers.

Not applicable

4. If your organization is charging an approved indirect cost rate, what is your rate?

Not applicable

Signatures

Authorized Representatives of the applicant must sign the application. An Authorized Representative is an official who has the authority to obligate the applicant's resources. All necessary Authorized Representative signatures must be provided at the time of the grant application submittal for your project to be considered.
