## I. Executive Summary

MED-Project USA ("MED-Project") operates a Product Stewardship Plan for Covered Drugs from Households ("Plan") in the State of Oregon under the Oregon Revised Statutes 459A.200 to 459A.266 (the "Act"), approved by the Oregon Department of Environmental Quality (the "Department") on May 20, 2021 ("Approved Plan") and last revised on December 20, 2024. This 2024-2025 State of Oregon Annual Report ("Report") describes MED-Project's activities between July 1, 2024, and June 30, 2025 (the "Reporting Period") as described in Approved Plan Section III.C: Reporting. Information included in this Annual Report occurred during the Reporting Period unless otherwise stated. All capitalized terminology not defined in this summary is derived from the Approved Plan.

MED-Project has been in operation in the State since 2021 and has served the residents by collecting over 255,000 pounds of Covered Drugs. MED-Project's outreach and education efforts have thus far resulted in over 45 million impressions to State residents, stemming from MED-Project's comprehensive education and outreach program.

### A. Notifications

MED-Project submitted a number of change requests and notices to the Department. The change requests and notices submitted included:

- Twelve Monthly Active Secure Repository, 12 Active Mail-Back Distribution Locations Reports, and six Covered Manufacturer Updates submitted to the Department.
- Four notifications of an upcoming Take-Back Event(s), submitted to the Department.
- A change request, submitted to the Department on December 20, 2024, requesting to remove language providing unique site ID for each Drop-Off Site. On January 3, 2025, the request was approved.
- A 2025-2026 Additional Services Proposal, submitted to the department on May 19, 2025.

### B. Operations Overview

MED-Project operated 248 Secure Repositories at participating Drop-Off Sites in the State. In addition, MED-Project operated 209 Mail-Back Distribution Locations and distributed Mail-Back Packages through the MED-Project Website and Call Center. Secure Repositories were installed in pharmacies, hospitals/clinics, and LEAs that meet all state, and federal requirements and that executed agreements with MED-Project. In addition, outreach and educational materials, including signage and/or brochures, were distributed to all new Drop-Off Sites and offered to Mail-Back Distribution Locations and

to those that requested promotional materials. MED-Project complied with ORS 459A.227(4) by providing Covered Entities, upon request, with written materials provided for the purpose of promoting the safe and secure collection of Covered Drugs at the time that a Covered Drug is delivered to a Covered Entity. See Appendix K for a list of sites that were provided with promotional materials. All promotional material included in this Report are representative examples from the Reporting Period.

As outlined in the Approved Plan, the goal of the Program is to provide Covered Entities with convenient, safe, and accessible methods to dispose of Covered Drugs. MED-Project continues to communicate with Collection Sites to distribute outreach materials and review procedures as needed and improve the overall Program design.

The following sections of the Report respond to specific reporting requirements either in the Act or the Approved Plan. Each section of the Report restates the corresponding Act or Approved Plan requirement and provides the required information. All figures are rounded to the nearest tenth place.

## II. Covered Manufacturers

**ORS 459A.230 (1)(a):** *“A list of covered manufacturers participating in the drug take-back program;”*

See Appendix A; Covered Manufacturers.

MED-Project submitted producer list updates, as required.

## III. Collection Methods and Weights

**ORS 459A.230 (1)(b):** *“The total amount, by weight, of drugs collected under the drug take-back program;”*

**ORS 459A.230 (1)(c):** *“The amount, by weight, of drugs collected under each method of collecting drugs under the drug take-back program;”*

**ORS 459A.230 (1)(i):** *“The total amount, by weight, of drugs disposed of by each method, presented in a manner that allows the department to conduct an audit to verify the information;”*

### A. Total Collection

MED-Project collected a total of 72,155.6 pounds of Covered Drugs through all collection methods. The total amount of Covered Drugs disposed of by each method is included as a separate Excel spreadsheet attachment to this Annual Report. Please see Attachment A: Collection Report, Sheet: Total Collection.

### B. Drop-Off Sites

**ORS 459A.230 (1)(e):** *“The total amount, by weight, of drugs collected at each drop-off site, presented in a manner that assists the department in determining the rate of use of each drop-off site;”*

MED-Project collected 70,819.6 pounds of Covered Drugs through Secure Repositories.

The weight of covered drugs collected at each Drop-Off Site is provided in an Excel spreadsheet attached to this Report listing the Drop-Off Site location including the County. See Attachment A: Collection Report, Sheet: Drop-Off Site Collection. 10 Authorized Collectors were newly installed. All new Drop-Off Sites received at least five Injector Mail-Back Packages, for a total of 80 Injector Mail-Back Packages shipped to new Drop-Off Sites. Additionally, MED-Project provided 100 Injector Mail-Back

Packages to nine existing Drop-Off Sites that requested them. 38 Drop-Off Sites ceased participation.

## C. Mail-Back Services

MED-Project distributed Mail-Back Packages through the following methods:

- 209 Mail-Back Distribution Locations. MED-Project provides a list of Mail-Back Distribution Locations that were active. See Appendix B; Mail-Back Distribution Locations.
- Resident requests through the Website and Call Center.
- Drop-Off Sites providing Injector Mail-Back Packages.

MED-Project collected 1,069.7 pounds of Covered Drugs through Mail-Back Services. The amount of Covered Drugs collected by Mail-Back Services and disposed of is included as a separate Excel spreadsheet attachment to this Annual Report. Please see Attachment A: Collection Report, Sheet: Mail-Back Services Collection. See table 1 below, for a table summarizing collection through Mail-Back Services.

- MED-Project collected 652.0 pounds of Covered Drugs through the return of 1,365 Standard Mail-Back Packages.
- MED-Project collected 24.6 pounds of Covered Drugs through the return of 38 Inhaler Mail-Back Packages.
- MED-Project collected 393.1 pounds of Covered Drugs through the return of 257 Injector Mail-Back Packages.

Mail-Back Type	Returned Mail-Back Packages Originating from the Website and Call Center	Returned Mail-Back Packages Originating from Mail-Back Distribution Locations	Total
Standard Mail-Back Packages	256.1	395.9	652.0
Inhaler Mail-Back Packages	23.2	1.4	24.6
Injector Mail-Back Packages	349.2	43.9	393.1
Total	628.4	441.3	1,069.7

*Table 1: Collection through Mail-Back Services*

On January 27, 2025, MED-Project met with the CEO of the Oregon Hospice and Palliative Care Association (“OHPCA”) to discuss the needs of hospice facilities in the State. MED-Project discussed awareness of the Drug Take-Back Program and how to access Mail-Back Packages and resources available to hospice sites within the State. MED-Project provided the Oregon Hospice and Palliative Care Association with educational materials advertising the Mail-Back Distribution Location program that can

be provided to hospice facilities throughout the State. Hospice facilities can register to become a Mail-Back Distribution Location and be provided Mail-Back Packages that can be handed out to their patients, upon request. MED-Project had a hospice and palliative care services site participating, Kaiser Hospice and Palliative Care Services, as a Mail-Back Distribution Location.

During the 2024-25 Program Year, MED-Project started a General Delivery service of Mail-Back Packages when a permanent address is not available to ensure the houseless residents of Oregon have the availability to order Mail-Back Packages. The General Delivery service will deliver the Mail-Back Package to the nearest U.S. Post Office that is participating as a General Delivery site.

## D. Collection Events

**ORS 459A.230 (1)(f):** *“The date and location of each collection event held pursuant to ORS 459A.221;”*

MED-Project supported law enforcement at four Collection Events resulting in the collection of 266.3 pounds of Covered Drugs in the State. The amount of Covered Drugs collected at Collection Events and disposed of is included as a separate Excel spreadsheet attachment to this Annual Report. Please see Attachment A: Collection Report, Sheet: Collection Event Collection. A list of the Collection Events that were supported is included in this Report. See Appendix C; Collection Events.

## IV. Drop-Off Site Locations

**ORS 459A.230 (1)(d):** *“The address of each drop-off site used under the drug take-back program;”*

A list of Drop-Off Sites that were active is included in this Annual Report. See Appendix D; Drop-Off Site Locations.

## V. Transporters and Disposal Facilities

**ORS 459A.230 (1)(g):** *“The method or methods used to transport drugs collected under the drug take-back program;”*

**ORS 459A.230 (1)(h):** *“The disposal technologies or processes used pursuant to ORS 459A.224 and which facilities or incinerators were used;”*

### A. Transporters

See Appendix E; Transporters.

## B. Disposal Facilities

See Appendix F; Disposal Facilities.

## VI. Safety and Security Report

**ORS 459A.230 (1)(j):** *“Whether any safety or security problems occurred during the collection, transportation or disposal of drugs and, if a problem occurred, a summary of the occurrence and possible resolutions;”*

There were no safety or security problems during the collecting, transporting, and disposing of Covered Drugs, with the exception of the events discussed in this Annual Report. See Appendix G; Safety and Security Report.

## VII. Educational Efforts and Public Outreach

**ORS 459A.230 (1)(k):** *“A summary of the drug take-back program’s compliance with ORS 459A.227;”*

### A. Public Education Activities

MED-Project promoted the safe and secure storage of Covered Drugs by Covered Entities by providing disposal instructions for Drop-Off Sites through the Approved Plan, providing information through the MED-Project Website and Call Center, and distribution of promotional materials such as brochures and posters.

The MED-Project Website, Call Center, and promotional materials were available in the Specified Languages as outlined in the Approved Plan.

MED-Project’s digital educational materials on the MED-Project Website can be translated into more than 100 languages via a translation tool. MED-Project continued to coordinate with the other approved Program Operator to provide a neutrally branded website and call center.

The neutrally branded website and call center served as the primary method for Covered Entities to locate Drop-Off Sites and Mail-Back Distribution Locations. The neutrally branded website and call center were available in the Specified Languages as outlined in the Approved Plan.

MED-Project Website pages are provided in Appendix H; MED-Project Website Pages. Statistics for the MED-Project Website and the neutrally branded website are included in Appendix I; Website Statistics. See Appendix J for examples of promotional materials such as brochures or posters available. A list of sites that received promotional materials is provided in this Report. See Appendix K; Promotional Material Distribution.

Since 2015, MED-Project and its subsidiaries have worked with pharmacies, law enforcement agencies, vendors, regulators, and others across jurisdictions to develop readily recognizable and consistent design for Secure Repositories and to develop clear, standardized instructions on how to use those repositories. Authorized Collectors in Oregon were able to provide feedback on MED-Project's Program, including on the design of Secure Repositories and on its instructions for their use, through the Help Desk. MED-Project did not receive feedback on the design and consistency of its Secure Repositories and did not revise the designs and instructions.

## **B. Outreach Activities**

To promote the Program, MED-Project: provided digital display, social media, and online video media campaigns; provided information through the MED-Project Website; distributed a digital promotional toolkit; and posted information on social media sites. MED-Project publicized information on the location of Drop-Off Sites, collection options, and Collection Events through social media posts. A list of social media activities is provided in Appendix L. MED-Project initiated outreach campaigns that ran for the duration of four weeks, three times, and were designed to be cumulatively viewed by 50% of State residents age 18 and older. Part of these outreach activities were directed and targeted at the Historically Underserved Communities ("HUC"). The total reach percentage for the State was 100%, exceeding the target of 50% reach. The reach percentage for each media activity is provided in the media outreach summary detailed in Appendix M.

MED-Project distributed a digital promotional toolkit, with content in English and Spanish, to local health jurisdictions. The toolkit provided ready-to-use resources that offered an efficient, cost-effective, and flexible way for jurisdictions to promote MED-Project's services directly to their constituents. It included social media graphics and sample posts, a promotional flyer, and a customizable press release that allowed local health jurisdictions to add individualized quotes from officials and/or their own boilerplate language.

Additionally, MED-Project was successful in its application to participate in the advertising grant program for nonprofit organizations through Google Ad Grants. This program provides no-cost, program-dependent paid search marketing to approved nonprofits on Google's search platform. MED-Project utilized the grant with paid search ads to promote the take-back services available to Covered Entities.

## **C. Evaluation Activities**

MED-Project's biennial survey of Covered Entities who are residents aged 18 and older, and pharmacists and healthcare providers who interact with Covered Entities, was conducted from July 8 to July 15, 2024. The results of the survey were posted on the MED-Project Website on October 8, 2024.

The MED-Project survey was designed to measure awareness levels of a program for the collection and disposal of household unwanted medications, perceptions as to whether the program services were convenient and easy to use, and to assess the knowledge and attitudes toward risk of improper storage or disposal of covered drugs.

The MED-Project survey administered to State residents aged 18 and older was available in English, Chinese (Simplified), Chinese (Traditional), Russian, Vietnamese, Somali, and Spanish and was administered as a digital survey with 1,000 respondents. The MED-Project survey administered to pharmacists and healthcare providers was available in English and was conducted by phone with 200 providers. Sampling was done at random throughout the population. Results from the MED-Project Survey, including the number of respondents for each response to every question, are included in Appendix N.

## VIII. Annual Expenditures

***ORS 459A.230 (1)(l): “A summary of the annual expenditures of the drug take-back program, aggregated by category;”***

A summary of the annual expenditures of MED-Project's take-back Program, aggregated by category, are provided in this Annual Report. See Appendix O; Annual Expenditures. MED-Project maintained reserve balance to cover six months of operations.

## IX. Goals

***ORS 459A.230 (1)(m): “Whether service was provided in compliance with the program operator’s description pursuant to ORS 459A.209 (2)(i) and whether the public awareness goals have been met, including a summary of strategies and surveys used, and copies of any promotional materials developed by, the drug take-back program; and”***

### A. Convenience Goals

Figure 1 provides a visual representation of how MED-Project met this convenience goal with active Drop-Off Sites as well as the location of Mail-Back Distribution Locations.

### B. Collection Goals

As discussed in Section VI of the Approved Plan, MED-Project has the collection goal for July 1, 2023, and July 1 each year thereafter to collect approximately 24,000 pounds

of Covered Drugs between July 1, 2022, and July 1, 2023, and approximately 26,000 pounds each year thereafter.

MED-Project met the collection goal of collecting approximately 26,000 pounds of Covered Drugs annually. MED-Project collected 72,155.6 pounds of Covered Drugs, exceeding the collection goal. See Section III of this Report for more information.

## C. Public Outreach and Education Goals

As discussed in Section VI of the Approved Plan, MED-Project has the following public awareness goals for July 1, 2023, and July 1 each year thereafter:

- To continue to improve awareness in urban areas and rural areas each year, based on the biennial survey results and other methods used to evaluate awareness.
- To continue to improve its outreach and education program each year as needed to address the needs and interests of HUCs, based on Oregon's Kitchen Table's analysis.

The following section describes MED-Project's progress toward meeting outreach and education goals described in the Approved Plan.

In addition to providing Covered Entities the ability to provide feedback and ask questions via the MED-Project Call Center, MED-Project maintained a community feedback questionnaire, accessible through the community feedback page of the Website, designed to assess program awareness and sentiment among Covered Entities. MED-Project received two completed community feedback questionnaires. MED-Project continues to evaluate additional methods to obtain feedback from Covered Entities and the community.

MED-Project conducted the second biennial survey of Covered Entities aged 18 and older and of pharmacists and healthcare providers who interact with Covered Entities. Results from the biennial survey, outlined in Section VIII.C., show an increase in Statewide awareness from the initial MED-Project survey.

As discussed in Section I.F.3 of the Additional Services Proposal, submitted to the Department on May 19, 2024, and approved on June 21, 2024, MED-Project continued outreach and education efforts toward Covered Entities living in HUCs. During the reporting period, MED-Project implemented two campaigns focused on HUCs across the state, as well as one statewide campaign aimed at residents aged 18 and older. This strategic outreach approach was designed to continue to improve outreach and education in urban and rural areas, and the initiatives were developed to engage the diverse audiences that were identified in the "Oregon's Kitchen Table – Safe Medicine Return in Oregon Report." By utilizing advanced targeting through digital display, social media, and online video channels, MED-Project continued broader outreach and inclusion, addressing potential barriers to communication faced by HUCs. Through the

combination of these digital channels, MED-Project sought to continue bridging gaps in communications and cultivating meaningful connections with HUCs.

To enhance accessibility and allow speakers of diverse languages to access Program information, MED-Project continues to provide a third-party translation tool on the Website, enabling translations into over 100 languages. As additional languages are added to the third-party translation tool, the MED-Project Website will offer content translation in those languages as well. Additionally, MED-Project's Website contains an accessibility tool to facilitate engagement for individuals with disabilities. As of June 30, 2025, the MED-Project Website had received 35,430 website views since it was launched on July 1, 2021.

MED-Project conducted additional outreach to promote Collection Events in Clackamas, Crook, and Marion Counties. Moreover, MED-Project provided educational materials to participating law enforcement agencies and conducted targeted social media outreach to promote Collection Events to Residents in Keizer, Molalla, Prineville, and Gladstone, and areas surrounding these population centers. In addition, MED-Project developed and shared promotional flyers with event organizers, and distributed press alerts to local and regional media to assist in promotion of select Collection Events. The Keizer Elks Lodges' July 20, 2024, event was featured in the July 18, 2024, edition of the *Salem Reporter*. The Prineville Police Department's May 3, 2025, event was featured in the April 29, 2025, edition of *The Bulletin*. These initiatives provided additional outreach to populations in counties where HUCs are represented.

MED-Project continued offering promotional materials in the Specified Languages as outlined in the Approved Plan. See Appendix J; MED-Project Promotional Materials.

To continue to improve its outreach and education program each year, as needed, MED-Project will continue to evaluate outreach to HUCs in future years' campaign activity.

## **X. Additional Services Metrics**

***Plan Section III.C:*** "For additional services provided during the reporting period, MED-Project's annual report will include relevant metrics for the additional services, which will include the number of Mail-Back Packages provided to additional Mail-Back Distribution Locations, the weight collected through returned Mail-Back Packages Distributed by each additional Mail-Back Package Distribution Location, the number of households receiving direct mailers sent by zip code, the amount of Covered Drugs collected through additional Drop-Off Sites, and changes to outreach and

*educational materials, including the provision of materials in additional languages.”*

Pursuant to Section III.C; Reporting, in the Approved Plan, MED-Project is providing a summary of relevant metrics for additional services. A list of Mail-Back Distribution Locations including the number of Mail-Back Packages distributed to each site is provided in Appendix B; Mail-Back Distribution Locations. The amount of weight collected from each Drop-Off Site is provided in an attachment to the Annual Report. See Attachment A; Drop-Off Site Collection Weights, Sheet: Drop-Off Site Collection. Representative promotional materials, including brochures and posters in additional languages are provided in Appendix J; MED-Project Promotional Materials. See Appendix P; Additional Services Metrics for:

- The weight of Covered Drugs collected through returned Mail-Back Packages, by Mail-Back Distribution Locations.
- The number of households that were sent direct mailers, by ZIP Code.

## **XI. Certification**

***ORS 459A.230 (1)(n): “An attestation that all covered drugs collected under the drug take-back program were disposed of in compliance with applicable laws, rules and regulations.”***

MED-Project complied with all elements of the laws, rules, and regulations. An attestation as described in ORS 459A.230 (1)(n) is provided in Appendix Q.

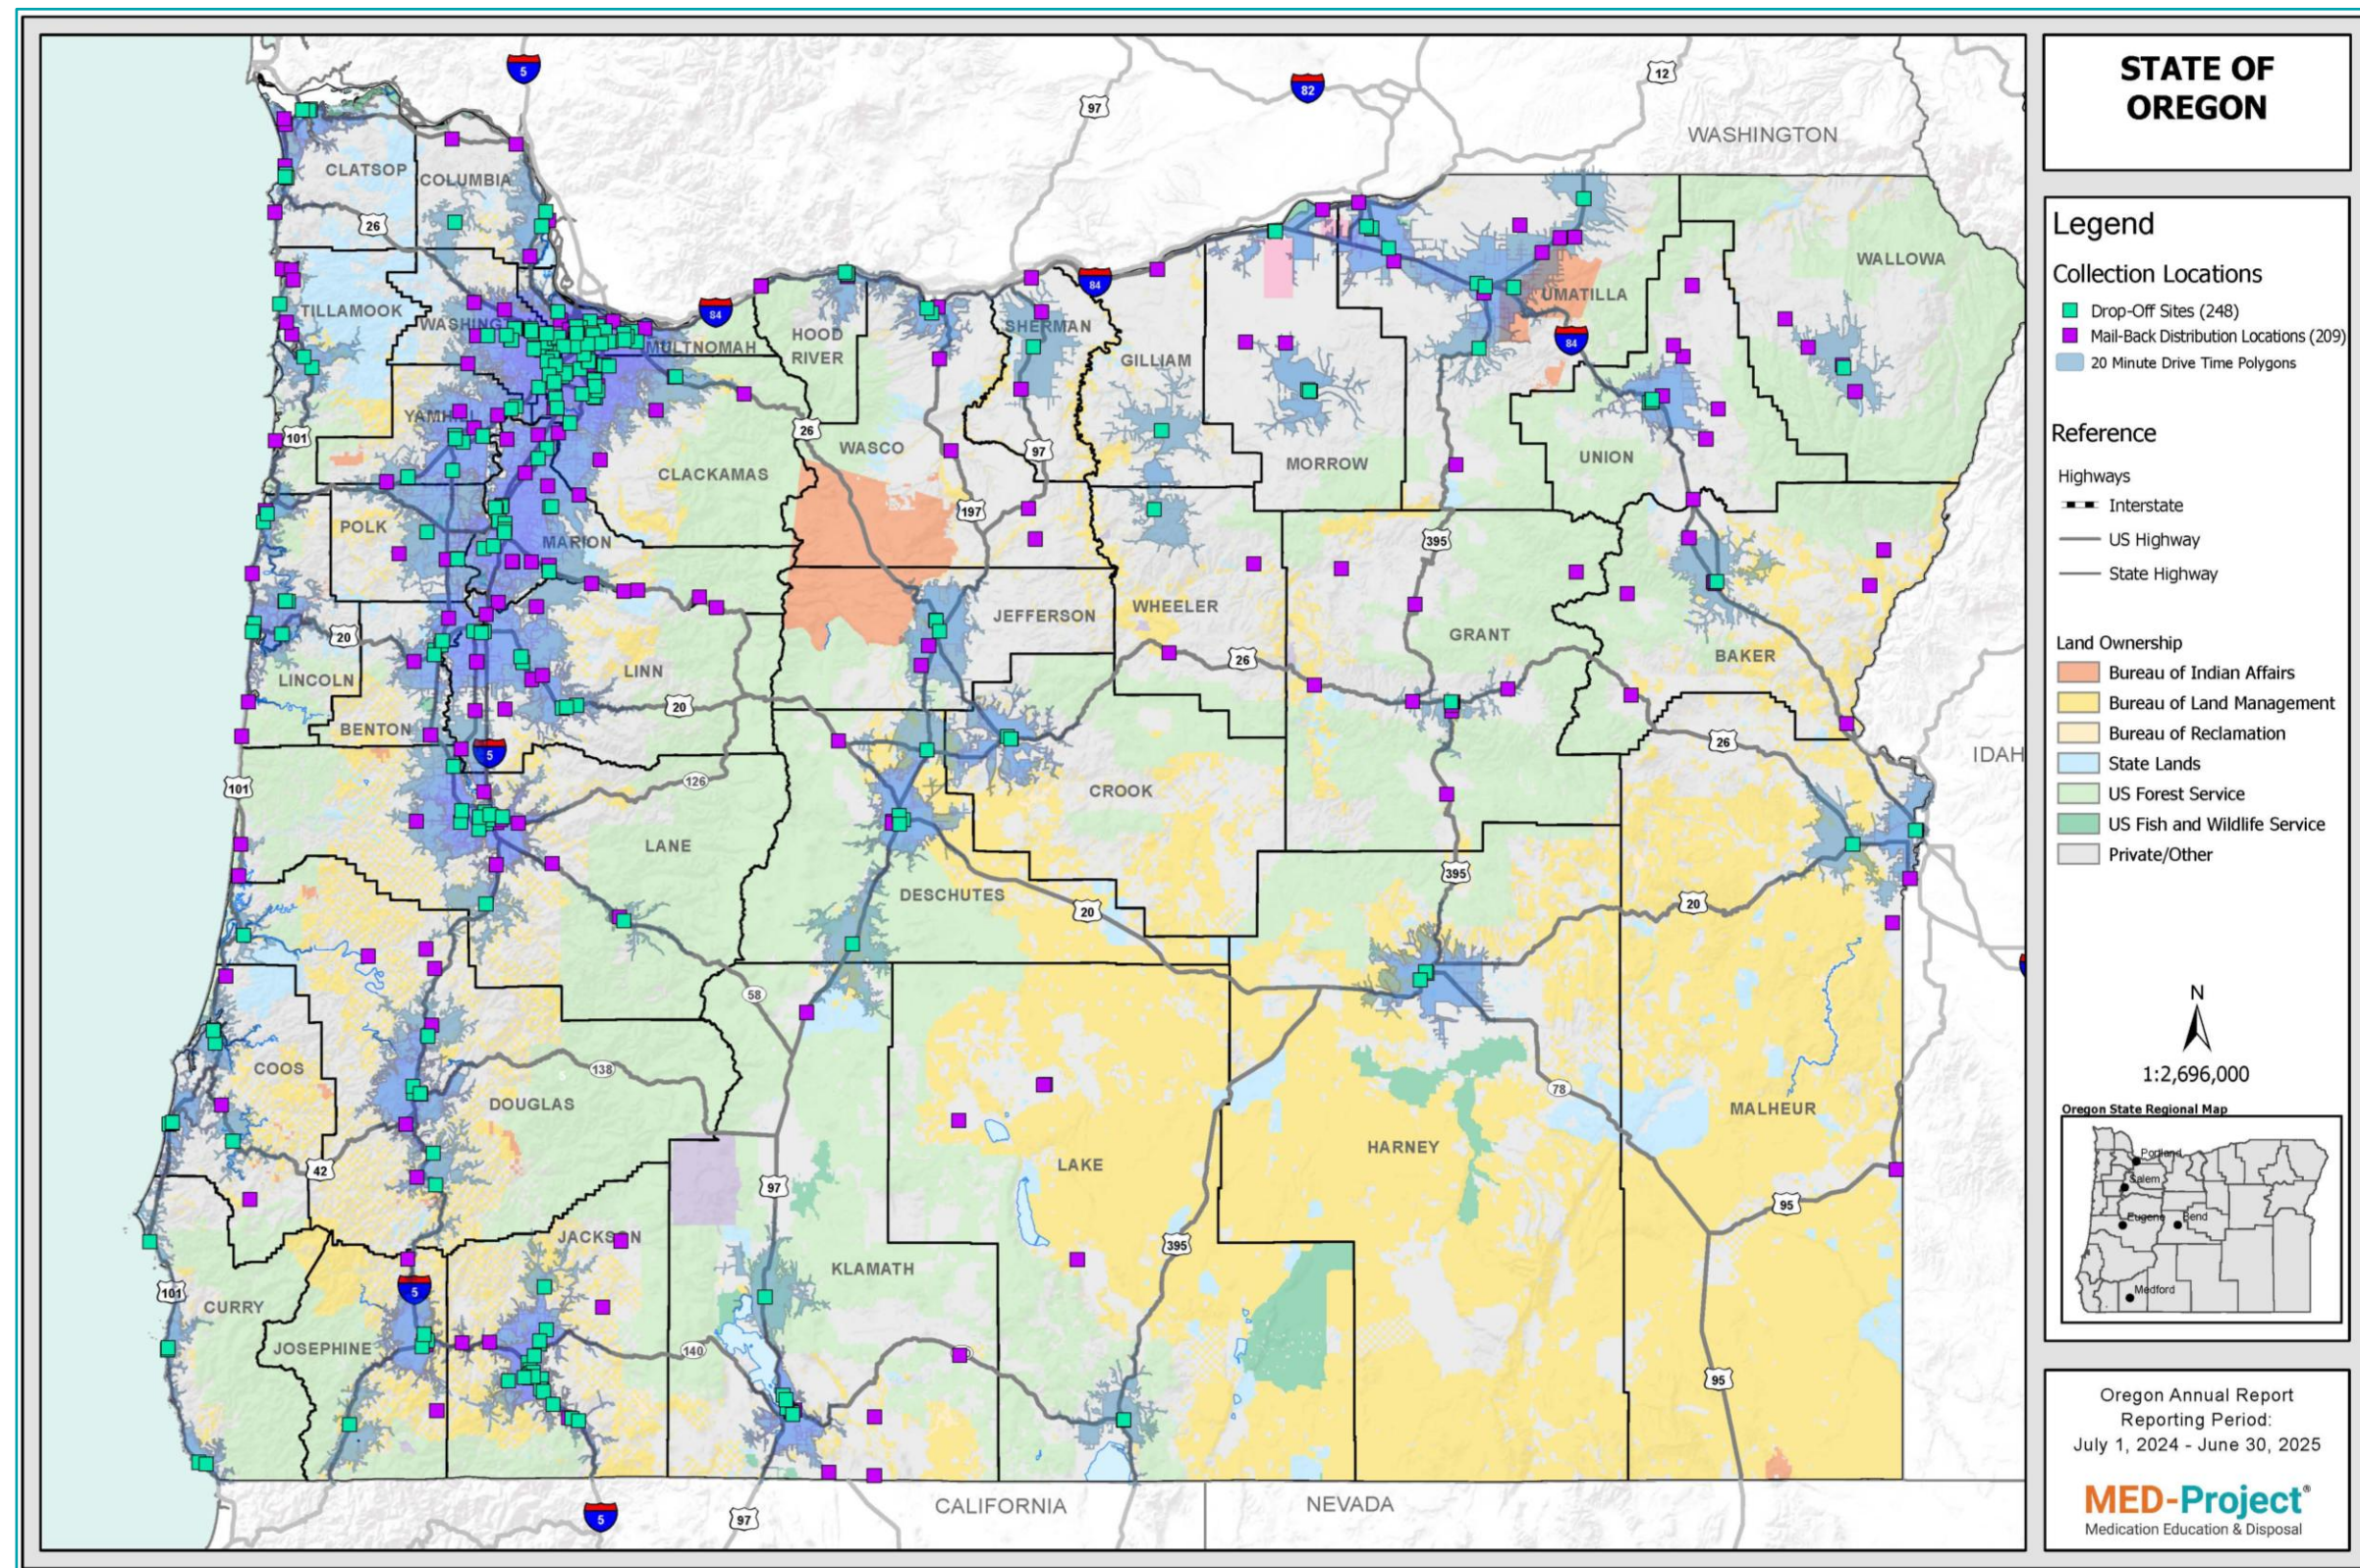

Figure 1: Map of Drop-Off Sites and Mail-Back Distribution Locations

### Safety and Security Report

#### Event 1:

**Event Reported Date:** March 15, 2025

**Description:** MED-Project was informed by Drop-Off Site Staff ("Site Staff"), that an investigation undertaken by Site Staff, in cooperation with authorities, confirmed that an isolated diversion event in connection with an unwanted medicine box and liner took place.

**Corrective Action Taken:** Site Staff reported putting additional policies and procedures in place to ensure security of the area where unwanted medicine boxes and liners are stored pending carrier pick up.

#### Event 2:

**Event Reported Date:** May 21, 2025

**Description:** MED-Project was notified by its Vendor of an apparent shipping discrepancy for an unwanted medicine Box and Liner (the "Box and Liner") originating from a Drop-Off Site in the State of Oregon. The Carrier declared that the Box and Liner was lost in transit. MED-Project understands that there have been rare exceptions in which the Carrier cannot deliver a package to its destination or return it to the shipper for reasons including, but not limited to, the loss of shipping information, such as a damaged shipping label. MED-Project understands that the Carrier has policies and procedures for managing such packages, including destruction at a permitted medical waste incinerator.

**Corrective Action Taken:** MED-Project notified the Drop-Off Site of the apparent shipping discrepancy, including information on Drop-Off Site potential reporting obligations under the Drug Enforcement Administration and Oregon State Board of Pharmacy regulations. MED-Project also requested that the Vendor provide a detailed report of its investigation and findings including any information on the whereabouts of the Box and Liner. In addition, MED-Project requested: (1) any other outcomes from investigations into the apparent Box and Liner shipping discrepancy; (2) any reports Vendor makes regarding this apparent discrepancy to law enforcement or government agencies; (3) any law enforcement or government agency involvement with this apparent discrepancy; (4) any legal proceedings involving this apparent discrepancy, and (5) any changes in policy or procedure that Vendor has or is planning to make as a result of the apparent discrepancy.

## Outreach and Education

Part of MED-Project's mission is to reach out to the local community and educate residents about the proper disposal of unwanted household medication.

Medicine helps treat disease, manage chronic conditions, and improve health and well-being for millions of Americans.

Take medication as directed by your health care provider and as indicated on the label or packaging, then store it securely, and dispose of it safely, to prevent accidental ingestion or misuse by others, including children and pets.

MED-Project's disposal services for your unwanted household medication are safe, free, and convenient.

For additional information on the program, MED-Project has developed an educational toolkit which includes the materials below.

## Brochure

## Outreach and Education

Part of MED-Project's mission is to reach out to the local community and educate residents about the proper disposal of unwanted household medication.

## Are You Done With Those?

**Safe and Free Medication Disposal. We Make it Easy for You!**

### What should you do with your expired or unwanted medication?

Medicine helps treat disease, manage chronic conditions, and improve health and well-being for millions of Americans. Adhering to your medication routine means taking your medicine as directed by your healthcare provider or as indicated on the label or packaging—the right dose, at the right time, in the right way. Then, store it securely, and dispose of it safely, to prevent accidental ingestion or misuse by others, including children and pets.

MED-Project programs and services make it safe, free, and convenient for you to dispose of medication.

Use as Directed

Use medication as directed. If there are specific instructions on the label, package, or package insert, please follow those instructions. If you have any questions, ask your health care providers.

**Store Securely**

Follow storage instructions as provided on medicine labels and the information accompanying the medicine. Keep medications in a secure location, safely away from people or pets.

### Dispose Safely

Check your medicine cabinet and remove all expired and unwanted medication. If you do not know if a drug is still safe, check with your pharmacist. Count medication to keep track of amounts. Drop off or mail back expired or unwanted medications for safe disposal.

## Disposal of Household Medication

MED-Project provides safe, free, and convenient disposal options for household medications in your community.

**Drop Box**

Conveniently located drop boxes are available in your area. To find a drop box near you, visit the Find a Location section of [medtakebackoregon.org](https://medtakebackoregon.org).

**Mail-Back**

Mail-back packages are available in your area. All mail-back packages are pre-addressed with postage pre-paid. To order a Mail-back package, visit the Mail-Back section of [medtakebackoregon.org](http://medtakebackoregon.org).

MED-Project may have mail-back package distribution or informational sites in your area.

To find out more about the disposal options in your area, visit [medtakebackoregon.org](http://medtakebackoregon.org).

To protect your privacy, patients are reminded to remove all personally identifiable information on medication labels or packaging before disposing of unwanted medication.

### What items can I dispose of in a drop box?

Please separate and remove any items and medication that are not accepted before disposing.

**Accepted:** Medications in any dosage form, except for those identified as Not Accepted below, in their original container or sealed bag.

If transferring medications to a sealed bag, please be sure to recycle remaining packaging.

**NOT Accepted:** Herbal remedies, vitamins, cosmetics, batteries, mercury-containing thermometers, sharps, and illicit drugs.

To learn more about items that are not accepted in your area, visit [medtakebackoregon.org](http://medtakebackoregon.org).

For more information about the MED-Project Program, visit [medtakebackoregon.org](http://medtakebackoregon.org) or call 1-844-4-TAKE-BACK (844)482-5322 (TTY: 711).

**For easy-to-use and easy-to-locate medication disposal!**

Figure 20: MED-Project Safely Dispose of Expired or Unwanted Medicines Brochure – English (Front)

## What should you do with your expired or unwanted medication?

Medicine helps treat disease, manage chronic conditions, and improve health and well-being for millions of Americans. Adhering to your medication routine means taking your medicine as directed by your healthcare provider or as indicated on the label or packaging—the right dose, at the right time, in the right way. Then, store it securely, and dispose of it safely, to prevent accidental ingestion or misuse by others, including children and pets.

**MED-Project programs and services make it safe, free, and convenient for you to dispose of medication.**

### Use as Directed

Use medication as directed. If there are specific instructions on the label, package, or package insert, please follow those instructions. If you have any questions, ask your health care providers.

### Store Securely

Follow storage instructions as provided on medicine labels and the information accompanying the medicine. Keep medications in a secure location, safely away from people or pets.

### Dispose Safely

Check your medicine cabinet and remove all expired and unwanted medication. If you do not know if a drug is still safe, check with your pharmacist. Count medication to keep track of amounts. Drop off or mail back expired or unwanted medications for safe disposal.

## Disposal of Household Medication

MED-Project provides safe, free, and convenient disposal options for household medications in your community.

### Drop Box

Conveniently located drop boxes are available in your area. To find a drop box near you, visit the Find a Location section of [medtakebackoregon.org](http://medtakebackoregon.org).

### Mail-Back

Mail-back packages are available in your area. All mail-back packages are pre-addressed with postage pre-paid. To order a Mail-back package, visit the Mail-Back section of [medtakebackoregon.org](http://medtakebackoregon.org).

MED-Project may have mail-back package distribution or informational sites in your area.

To find out more about the disposal options in your area, visit [medtakebackoregon.org](http://medtakebackoregon.org).

To protect your privacy, patients are reminded to remove all personally identifiable information on medication labels or packaging before disposing of unwanted medication.

# ¿Qué artículos puedo eliminar en un buzón?

**Separe y desmonte todos los artículos y medicamentos no aceptados antes de desecharlos.**

**Aceptados:**  
medicamentos en cualquier forma de dosificación, excepto aquellos identificados como No Aceptados a continuación, en su envase original o bolsa sellada.

Si transfiere medicamentos a una bolsa sellada, asegúrese de reciclar el envase restante.

**NO Aceptados:**  
remedios a base de hierbas, vitaminas, productos cosméticos, baterías, termómetros de mercurio, objetos punzantes y drogas ilegales.

**Para obtener más información sobre artículos no aceptados en su área, visite [medtakebackoregon.org](https://medtakebackoregon.org).**

## ¿Qué se debe hacer con un medicamento caducado o no deseado?

Los medicamentos ayudan a tratar enfermedades, controlar afecciones crónicas y mejorar la salud y el bienestar de millones de estadounidenses. Cumplir con su rutina de medicamentos significa tomar su medicamento según las indicaciones de su proveedor de atención médica o según lo indicado en la etiqueta o el envase: la dosis correcta, en el momento correcto, de la manera correcta. Luego, guárdelo protegido y elimínelo de manera segura para evitar la ingestión accidental o el mal uso por parte de otras personas, incluidos niños y mascotas.

**Los programas y servicios de MED-Project hacen que la eliminación de medicamentos sea segura, gratuita y conveniente para usted.**

### Ingerir según lo indicado

Ingiera el medicamento según las indicaciones. Si hay instrucciones específicas para la eliminación en la etiqueta, el envase o el prospecto, siga esas instrucciones. Si tiene alguna pregunta, consulte a sus proveedores de atención médica.

### Almacenamiento protegido

Siga las instrucciones de almacenamiento provistas en las etiquetas de los medicamentos y en la información que los acompaña. Mantenga los medicamentos en un lugar protegido, lejos de personas o mascotas.

### Eliminación segura

Revise su botiquín y elimine todos los medicamentos caducados y no deseados. Si no sabe si un medicamento sigue siendo seguro, consulte con su farmacéutico. Cuente los medicamentos para realizar un seguimiento de las cantidades. Deje o devuelva por correo los medicamentos caducados o no deseados para su eliminación segura.

## Eliminación de medicamentos domésticos

MED-Project ofrece opciones seguras, gratuitas y convenientes para eliminar medicamentos domésticos en su comunidad.

### Buzón

Buzones bien ubicados disponibles en su área. Para encontrar un buzón cercano, visite la sección Buscar una ubicación de [medtakebackoregon.org](http://medtakebackoregon.org).

### Devolución por correo

Los paquetes de devolución por correo están disponibles en su área. Todos los paquetes de devolución por correo tienen la dirección y el franqueo prepagos. Para solicitar un paquete de devolución por correo, visite la sección Devolución por correo de [medtakebackoregon.org](http://medtakebackoregon.org).

MED-Project puede tener distribución de paquetes de devolución por correo o sitios informativos en su área.

Para obtener más información sobre las opciones de eliminación cercanas, visite [medtakebackoregon.org](http://medtakebackoregon.org)

Para proteger su privacidad, se les recuerda a los pacientes que eliminen toda la información de identificación personal de las etiquetas o los envases de los medicamentos antes de desechar los medicamentos no deseados.

**Executive Summary**

**Resident Awareness**

**Healthcare Provider Awareness**

**Appendix - Demographics**

*Figure 29: State of Oregon 2024 Resident and Healthcare Provider Survey Results Page 2*

## Study Objectives & Methodology

### Study Objectives

- MED-Project desires to assess the awareness of its disposal program for expired and/or unwanted medicines and determine the effectiveness of MED-Project's outreach among residents and healthcare providers in Oregon.
- MED-Project commissioned a survey to evaluate the effectiveness of its initiatives.

### Study Design

- 1,000 residents and 200 healthcare providers in Oregon were surveyed between July 8 and July 15, 2024.
- Residents were randomly sampled to minimize bias among a diverse population.
- Healthcare providers (doctors, physician's assistants, nurse practitioners, nurses, pharmacists, dentists, pharmacy technicians, veterinarians, or health office administrators) were sampled.
- Quotas for Race and Age were defined to align with data from the 2020 U.S. Census and the 2022 American Community Survey (ACS).

### Sampling & Analysis

- Random sampling originated from lists of residents and healthcare providers in Oregon.
- When the surveys were complete, the raw data was analyzed and cleaned to remove incomplete surveys and ensure high-quality completes. The data was then analyzed at a confidence level of 95% and a margin of error of 3.1% (for residents) and 6.9% (for healthcare providers), which means that if the same survey was conducted 100 times, we are confident that 95 out of 100 times the results would fall within what we are reporting, plus or minus 3.1% (for residents) or 6.9% (for healthcare providers).
