Re: Notice of Civil Penalty Assessment and Order
Case No. AQ/ACDP-NWR-2023-087

This letter is to inform you that DEQ has issued you a civil penalty of \$825 for failing to timely submit your 2022 annual reports to DEQ as required by your Air Contaminant Discharge Permit Number AQGP-018, Source Numbers 26-0040-18-01 and 34-0022-18-01.

DEQ issued this penalty because annual reports are an important mechanism for DEQ to determine whether sources of air contaminants are operating within the conditions and limits of permits. Without the report, DEQ is unable to determine the compliance status of your facilities or ensure emissions are within levels that do not pose harm to public health or the environment.

If you wish to appeal this matter, DEQ must receive a request for a hearing within 20 calendar days from your receipt of this letter. The hearing request must be in writing. Send your request to DEQ Office of Compliance and Enforcement:

Via mail – 700 NE Multnomah Street, Suite 600, Portland, Oregon 97232
Via email – DEQappeals@deq.state.or.us
Via fax – 503-229-5100

Once DEQ receives your request, we will arrange to meet with you to discuss this matter. If DEQ does not receive a timely written hearing request, the penalty will become due.

Alternatively, you can pay the penalty by sending a check or money order to the above address.

The attached Notice further details DEQ's reasons for issuing the penalty and provides further instructions for appealing the penalty. Please review and refer to it when discussing this case with DEQ.

DEQ may allow you to resolve part of your penalty through the completion of a Supplemental Environmental Project (SEP). SEPs are environmental improvement projects that you sponsor instead of paying a portion of the penalty. Further information is available by calling the number below or at <http://www.oregon.gov/deq/Regulations/Pages/SEP.aspx>.

DEQ's rules are available at <http://www.oregon.gov/deq/Regulations/Pages/Statutes.aspx> or by calling the number below.

If you have any questions, please contact Steve Siegel at (503) 229-5518.

Sincerely,

EXHIBIT 1

FINDINGS AND DETERMINATION OF RESPONDENT'S CIVIL PENALTY PURSUANT TO OREGON ADMINISTRATIVE RULE (OAR) 340-012-0045

VIOLATION: Failing to timely submit a 2022 annual report to DEQ in violation of Condition 8.3 of Respondent's Air Contaminant Discharge Permit number AQGP-018, source number 34-0022-18-01 and OAR 340-214-0114(1) and (2).

CLASSIFICATION: This is a Class II violation pursuant to OAR 340-012-0054(2)(f).

MAGNITUDE: The magnitude of the violation is minor pursuant to OAR 340-012-0130(4), as there is no selected magnitude specified in OAR 340-012-0135 applicable to this violation, and the information reasonably available to DEQ indicates no more than a de minimis adverse impact to human health or the environment, and posed no more than a de minimis threat to human health or the environment. Respondent's annual report indicates it operated within permit emission limits and Respondent submitted its report within 60 days of the due date.

CIVIL PENALTY FORMULA: The formula for determining the amount of penalty of each violation is: $BP + [(0.1 \times BP) \times (P + H + O + M + C)] + EB$

"BP" is the base penalty, which is \$375 for a Class II, minor magnitude violation in the matrix listed in OAR 340-012-0140(4)(b)(B)(iii) and applicable pursuant to OAR 340-012-0140(4)(a)(C) because Respondent operates the Facility under an Air Contaminant Discharge Permit because it is subject to Area Source NESHAP regulations.

"P" is whether Respondent has any prior significant actions, as defined in OAR 340-012-0030(19), in the same media as the violation at issue that occurred at a facility owned or operated by Respondent, and receives a value of 0 according to OAR 340-012-0145(2)(a)(A), because there are no prior significant actions.

"H" is Respondent's history of correcting prior significant actions and receives a value of 0 according to OAR 340-012-0145(3)(c), because there is no prior history.

"O" is whether the violation was repeated or ongoing and receives a value 0 according to OAR 340-012-0145(4)(a), because there was one occurrence of the violation. Respondent was late submitting one (2022) annual report.

"M" is the mental state of the Respondent and receives a value of 4 pursuant to OAR 340-012-0145(5)(c) because Respondent's conduct was negligent. Respondent's Permit expressly requires Respondent to submit an annual report by February 15th of each year. Respondent

was reminded of permit requirements to submit an annual report through a warning letter in April 2022. Respondent submitted its 2022 annual report only after DEQ issued Respondent a Pre-Enforcement Notice on March 15, 2023. By failing to timely submit the 2022 annual report to DEQ, Respondent failed to take reasonable care to avoid a foreseeable risk of conduct constituting or resulting in a violation.

"C" is Respondent's efforts to correct or mitigate the violation and receives a value of -3 according to OAR 340-012-0145(6)(c) because Respondent made reasonable efforts to correct the violation by submitting the annual report within the timeframe identified in the March 15, 2023, Pre-Enforcement Notice.

"EB" is the approximate dollar value of the benefit gained and the costs avoided or delayed as a result of Respondent's noncompliance. It is designed to "level the playing field" by taking away any economic advantage the entity gained and to deter potential violators from deciding it is cheaper to violate and pay the penalty than to pay the costs of compliance. In this case, "EB" receives a value of \$0 as there is insufficient information on which to base a finding.

PENALTY CALCULATION: $\text{Penalty} = \text{BP} + [(0.1 \times \text{BP}) \times (\text{P} + \text{H} + \text{O} + \text{M} + \text{C})] + \text{EB}$
= $\$375 + [(0.1 \times \$375) \times (0 + 0 + 0 + 4 + (-3))]$ + \$0
= $\$375 + (\$37.50 \times 1)$ + \$0
= $\$375 + \37.50 + \$0
= \$412.50
