System overview

The Oregon Department of Environmental Quality has instituted the use of a modernized, cloud-based tool for a selection of compliance programs within the agency and several business processes that involve the public and regulated entities.

[Your DEQ Online](#) is an Environmental Data Management System designed to combine current DEQ processes across air, land and water divisions in one convenient and easily accessible portal. The system enables users to submit applications, upload reports, enter data, check the status of applications, pay fees or fines, and manage account activity. In addition, the system allows for greater public access to environmental data without the need to request this information from DEQ staff.

Getting started in YDO

To apply for a solid waste disposal site permit, you must have a Responsible Official account and have the Solid Waste submittal group selected. If you already have this account type and submittal group selected, you can skip to the next section. If you do not already have a Responsible Official account, the [Public Account Registration and Management Guide](#) has instructions to create one. For additional information and tools, visit [Your DEQ Online Account Registration](#) website.

To add Solid Waste to an existing account, click your name in the top right corner.

In the panel that opens, click the Go to my account icon 

Click the Account Type tab

Scroll down to the Submittal Groups section, check the Solid Waste box and click the Save icon .

Introduction

This document provides information necessary for completing the DEQ-approved solid waste disposal site permit application for a Conversion Technology Facility in [Your DEQ Online](#).

The information in this user guide is grouped by permit action type (new, renew, amend (aka modification), and termination). Select the permit action you would like to complete to access the relevant instructions:

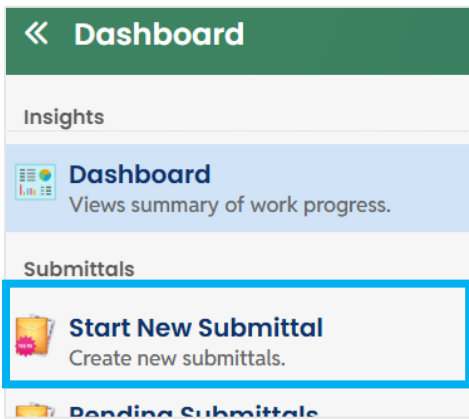

- [New](#)
- [Renew or Amend \(modification\)](#)
- [Termination](#)

1. New permit application instructions

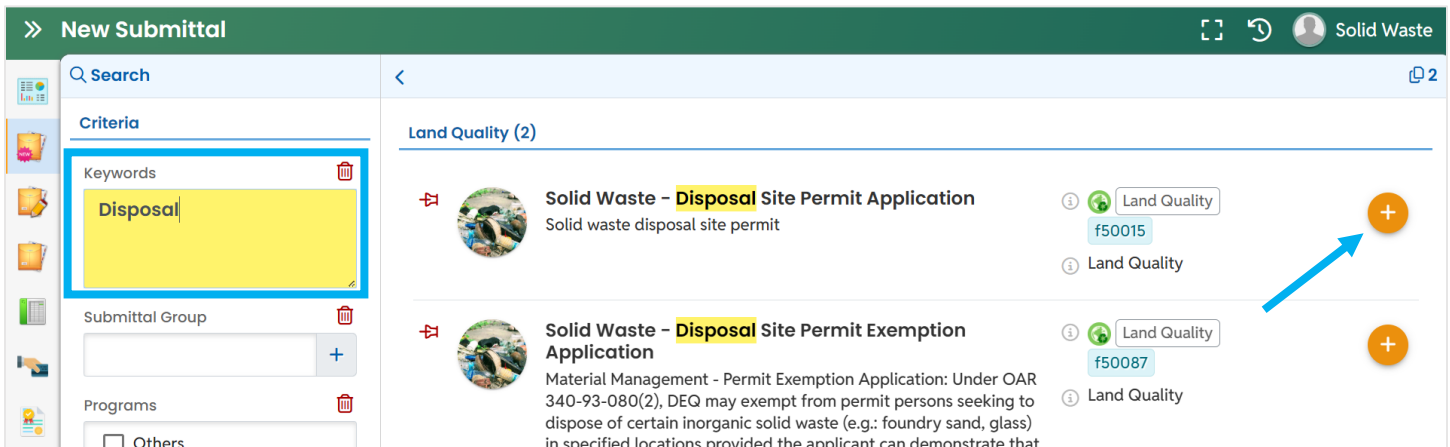

1.1 How to find the Solid Waste-Disposal Site Permit Application

Login to your account on the [Your DEQ Online Public Portal](#).

In the top left-hand corner of the Dashboard, click the menu icon  to the left of “Dashboard”. Click the Start New Submittal icon  to create a new submittal.

In the Keywords section, type in the first letters of the submittal form you want to fill out. For this submittal DEQ recommends “Disposal”. Once your submittal form has appeared, click the Create New Application icon  on the right side of the screen.

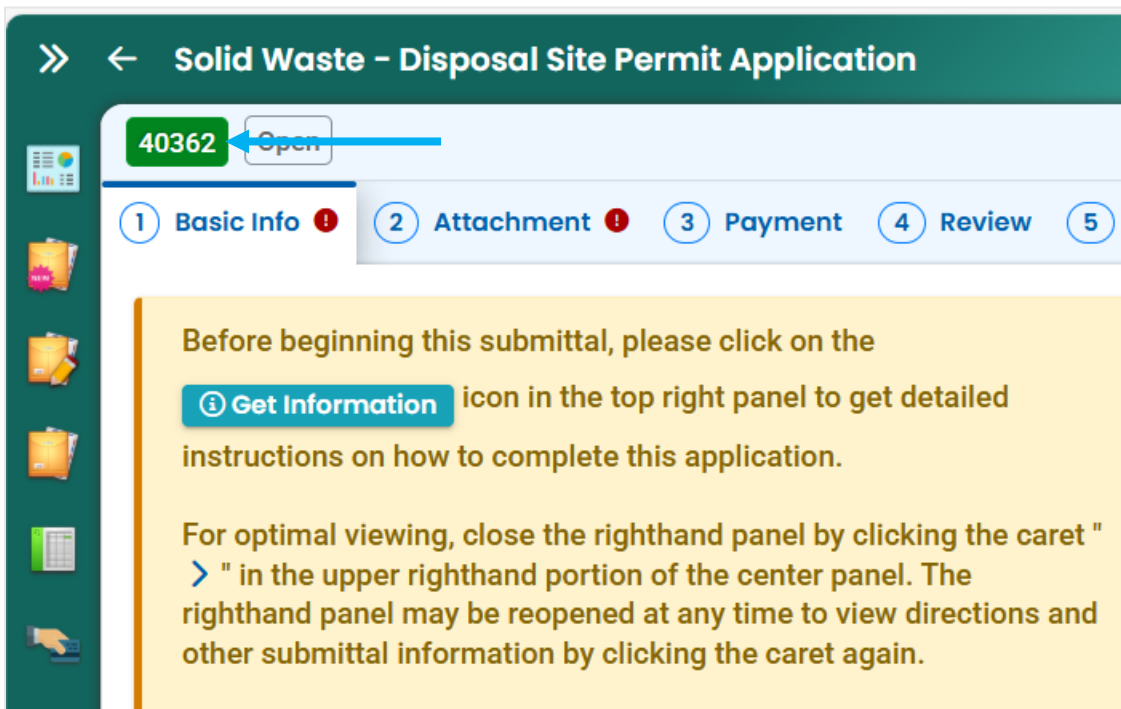

1.2 Important things to know before you start your application

The system uses a lot of icons. If you're curious about what an icon means, hover over it with your cursor.

Unsaved entries will be lost. To avoid losing your work, click the Save icon  (bottom right) frequently and before leaving the submittal.

Take note of the Submittal ID number. After clicking the Save icon  the submittal will be assigned a unique Submittal ID number . It is in the top left corner.

How to find submittals you are still working on. If you leave this submittal at any time after clicking the Save icon  and before submitting, you will need to open the Pending Submittals module (directly below Start New Submittal) and search for the Submittal ID number  in the top left corner to continue.

1.3 Basic info tab

These instructions are for completing the Basic Info tab for a solid waste disposal site permit application for a new conversion technology facility.

1.3.1 Type of permit requested section

When uploading an attachment, first click the file record and **select a document type option** for the uploaded file. If you want to mail the documents to the authorized agency, please navigate to the Review tab and use the "Mail To" checkbox.

Click to Upload or Drag Files Over Here

Once uploaded, click on the document and a “Select Document Type” dropdown will appear. Click on the dropdown for a list of document types.

The screenshot shows a web interface for uploading documents. At the top, a file named "DetailedPlans for low risk disposal site determination.pdf" is listed with a PDF icon, a "New" tag, and metadata (v1, 16 KB, 5/28/2025). Below the file list is a yellow instruction bar: "Click on the document to identify the attachment type." Below this, a "Select Document Type" dropdown menu is open, showing a search bar and a list of options: "* Adjacent Property Owners", "- Certification of Business Registry", "- Description of Modifications", and "* Detailed Plans and Specifications".

Enter a brief description of the document in the “Comments” field and click the Save icon  at the bottom right of the screen to successfully upload the attachment.

The screenshot shows the same web interface, but now a file named "LUCS.pdf" is listed with a PDF icon, a "New" tag, and metadata (v1, 16 KB, 5/28/2025). Below the file list is a yellow instruction bar with a red warning icon and text: "Make sure you upload all required (*) attachments. Please refer to side panel on the right for more detailed information." Below this, a text box contains instructions: "When uploading an attachment, first click the file record and select a document type option for the uploaded file. If you want to mail the documents to the authorized agency, please navigate to the Review tab and use the 'Mail To' checkbox." Below the instructions, a table header shows "Files Names" and "File Info/ Updated Date". Below the table, a "Select Document Type" dropdown menu is open, showing a search bar and a list of options: "Land Use Compatibility Statement (LUCS)". Below the dropdown, a "Comments" text box contains the text "2025 signed Land Use Compatibility Statement". At the bottom right, a "1 Results" button and a "Save" icon (a red circle with a white document icon) are visible.

NOTE: If you have saved a document with an incorrect document type or format, you will have to delete the document using the Delete icon  on the upper right and re-attach the document to select the correct document type.

The screenshot shows the 'Attachment' tab in the application. At the top, there are five tabs: 'Basic Info', 'Attachment', 'Payment', 'Review', and 'Submission'. Below the tabs, there are two red warning messages: 'Make sure you upload all required (*) attachments. Please refer to side panel on the right for more detailed information.' and 'The file extensions of some uploaded files do not comply with the required upload specifications.' Below these messages, there is a table of uploaded files. The first file is 'LUCS.docx', which is highlighted with a red border. The file is labeled 'New' and 'DOC'. The 'Doc Type' is 'Land Use Compatibility Statement (LUCS)'. The file information shows 'v1', 'DOCX', '13 KB', and '5/12/2025'. A red delete icon is visible on the right side of the file row, with a blue arrow pointing to it. A red warning message is also present below the file row: 'The file extension does not comply with the required upload specifications. Please refer to side panel on the right for more detailed information.'

Once the required attachments are uploaded, labeled and saved, the red warning icon  will disappear. You may repeat this process to add any optional or supplementary attachments.

The screenshot shows the 'Attachment' tab in the application. At the top, there are five tabs: 'Basic Info', 'Attachment', 'Payment', 'Review', and 'Submission'. Below the tabs, there is a yellow message box: 'When uploading an attachment, first click the file record and select a document type option for the uploaded file. If you want to mail the documents to the authorized agency, please navigate to the Review tab and use the "Mail To" checkbox.' Below this message, there is a table of uploaded files. The first file is 'LUCS.pdf', which is labeled 'New' and 'PDF'. The 'Doc Type' is 'Land Use Compatibility Statement (LUCS)'. The file information shows 'v1', 'PDF', '16 KB', and '5/28/2025'. The second file is 'AdjacentPropertyOwners.docx', which is labeled 'New' and 'DOCX'. The file information shows 'v1', 'DOCX', '13 KB', and '5/28/2025'. Both files have a red delete icon on the right side.

NOTE: If you think your attachment meets the criteria of Conditionally Exempt from Disclosure under ORS 192.345, you must review and follow agency guidance. Contact your regional permit coordinator for more information.

1.8 Finding your submittal in YDO

After submitting your application in YDO, you will receive an automated Submission Received email from yourdeqonline@govonlineaas.com.

To view your submittal in YDO, in the top left-hand corner of the Dashboard, click the menu icon  to the left of “Dashboard”. Click the Submitted Submittals icon .

In the Submitted Submittals module, your application may be at the top of the page. If it isn't, the quickest way to find your submittal is to use the Keywords feature to search for the Submittal ID number. Once you find the submittal, click the icon  on the right side of the screen.

This will open a Submitted Submittal Info screen.

1.9 Next steps

Below is a summary of the most common steps that occur during a conversion technology permit application. Depending on what is proposed in your specific application, there may be additional steps not discussed below.

1.9.1 Completeness reviews

Once DEQ receives your application it will be reviewed for completeness. DEQ staff will work with the Responsible Official to obtain a complete application and to evaluate the expected Public Notice and Participation Category. If your application is elevated to a Category 4, there will be a Public Notice and Informational Meeting conducted before the risk screening. OAR [340-093-0100](#)

1.9.2 Risk screenings

There are two risk screenings conducted to determine which type of permit (Conversion Technology Permit or Conversion Technology Registration Permit) is appropriate for the proposed facility and whether financial assurance will be required.

- **Environmental** - DEQ staff will conduct an environmental risk screening based on screening criteria outlined in OAR 340-096-0160(7).
- **Financial Assurance** - DEQ will review the submittal to evaluate whether the facility is considered “low risk”. For purposes of division 96 rules, a low-risk facility is one DEQ determines is not likely to generate significant amounts of residual waste materials or contamination from the operation of the facility that will remain at closure.

DEQ will provide the results of both screenings to the RO in YDO. The evaluation letter is in the Submitted Submittals module.

Finding the risk screenings evaluation letter

In the Submitted Submittals module use the Keywords feature to search for your Submittal ID. Once you find the submittal, click the icon  on the right side of the screen. If your submittal does not display, update the Submitted Date to the appropriate time range.

1.9.3 What to do if you receive a send back email

Scenarios that will result in a Send Back include, but are not limited to:

- **Administratively Incomplete Submittal**
OAR [340-093-0070](#)

- **Your proposed facility is determined by DEQ to present more than a low risk to human health or the environment**

OAR [340-096-0160](#)(7)(d) All conversion technology facilities the department determines present a risk of potential adverse effects to human health or the environment must comply with OAR [340-096-0180](#): Operations Plan Approval. The department will consider a conversion technology facility to present a “risk of potential adverse effects” if the facility does not meet the conditions of a low-risk facility identified in this section.

In each scenario you will receive an email with an attachment explaining DEQ’s findings and instructions.

How to find your application send back in YDO

Send Backs are in the Pending Submittal module.

Once you are ready to submit the additionally required items identified in your Send Back, the quickest way to find your submittal in the Pending Submittals module is to use the Keywords feature to search for the Submittal

ID number in the Send Back email. Once you find the submittal click the Edit Submittal icon .

How to resubmit your send back

When you are ready to update and submit the item(s) identified in the send back letter, go to each applicable tab.

- [Link to Basic tab instructions](#)
- [Link to Attachment tab instructions](#) - If you are required to update/submit a new attachment, do not delete previously submitted attachments.
- [Link to Payments tab instructions](#)
- [Link to Review tab instructions](#).
- [Link to Submission tab instructions](#)

After submitting, you will receive an email confirming DEQ has received your submittal. If you do not receive this email or if you have issues resubmitting, contact your [regional permit coordinator](#).

1.9.4 Draft permit

DEQ staff will develop a draft permit package, including the draft permit, permit evaluation report, and public notice.

1.9.5 Site inspection

DEQ will schedule and complete a site inspection(s) before the public notice.

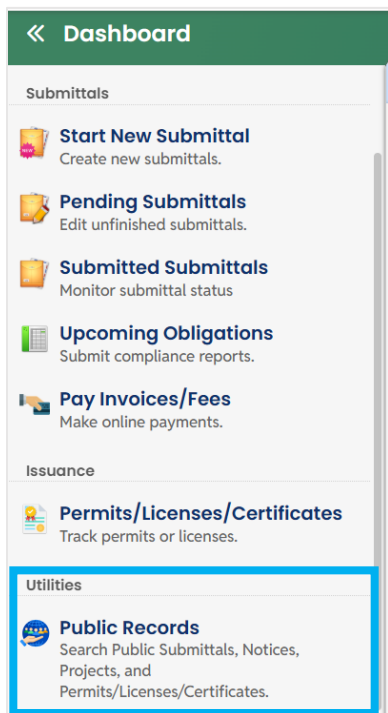

1.9.6 Courtesy review

When the draft permit is ready, DEQ may offer the applicant an opportunity to review and provide comments on the draft permit. The Draft Permit will be on the Issuance tab in the Submitted Submittals module (same location as the Facility Risk Screening Evaluation Letter). [Link to Instructions to find Issuance documents](#).

The screenshot displays the 'Submitted Submittal Info' interface for submittal 40391. The 'Complete Submittal' status is shown at the top. The 'Issuance' tab is selected, showing 'No record found' under 'Issuance Documents'. Under 'Supporting Documents', two documents are listed: 'Facility Risk Screening Evaluation' (1,691 KB, dated 6/4/2025, by System) and 'Draft Permit' (13 KB, dated 6/5/2025, by System). A blue arrow points to the 'Draft Permit' document, which has a 'DO' icon and a download icon next to it.

1.9.7 Public notice and comment period

DEQ may put the draft determination package out for public notice and comment, and if appropriate, will hold a public hearing. To view the Public Notice from your YDO account, click the menu icon  to the left of “Dashboard”. Scroll down and click the Public Records icon .

The quickest way to find a submittal is to use the Keywords feature to search for the Submittal ID number. Once you find your submittal, click the Public Notice Info icon  on the right side of the screen.

A screenshot of the 'Public Submittal Records' page. The page has a green header with 'Solid Waste' and navigation tabs for 'Submitted Submittals', 'Permits Licenses Certificates', 'Projects', and 'Report Pollution'. A search bar on the left contains the keyword '40391'. The main table displays one result for submittal 40391, titled 'Example DEQ Permitted Solid Waste Facility'. The table columns are: Submittal RID, Site/Location, Dept./E.I./Submittal Type, Submittal Date / Submitter / Public Notice Date, Status, and an action column. The 'Status' column shows 'Complete Submittal'. A blue arrow points to the 'Public Notice Info' icon in the action column. The 'Keywords' search box at the bottom left is also highlighted with a blue border.

The [Your DEQ Online Public Records](#) page has additional instructions on how to use the Public Records module.

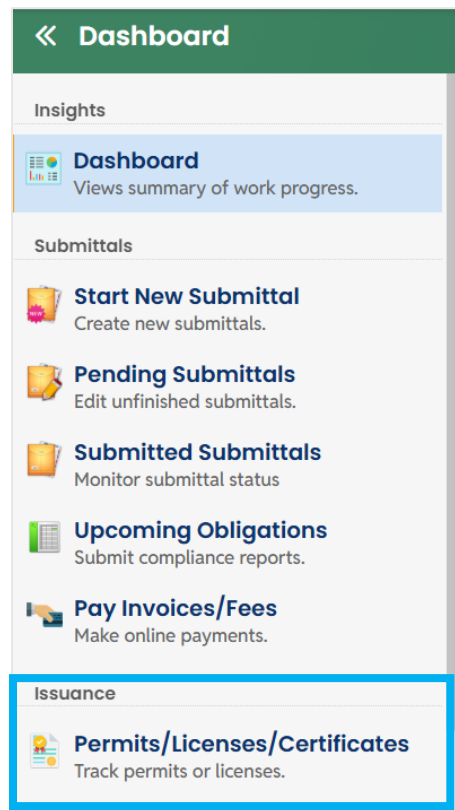

1.9.8 Response to comments

DEQ staff will respond to the comments received and if necessary, will update and finalize the permit. Any significant changes to the permit will require an additional Public Notice and Comment Period.

1.9.9 Final action

Issued permits

To view your permit in YDO, click the menu icon  to the left of “Dashboard”. Click the Permits/Licenses/Certificates icon .

Once in the PLC module, the quickest way to find a determination is as follows:

- In the Keywords section, enter the permit number

Denied permits

OAR [340-093-0110](#) identifies scenarios that will result in the denial of a permit.

2. Renew or amend permit application instructions

2.1 How to find the Solid Waste-Disposal Site Permit renewal or amendment application

Login to your account on the [Your DEQ Online Public Portal](#).

In the top left-hand corner of the Dashboard, click the menu icon  to the left of “Dashboard”. Then click the Permits/License/Certificates icon  to find the permit you would like to renew or amend.

Once in the PLC module, the quickest way to find a permit is as follows:

- In the Keywords section, type in the permit number
- In the PLC Status, select Issued and Expired

Once your permit displays, click the More Actions icon  on the right side of the screen to display the following application options:

2.2 Important things to know before you start your application

The system uses a lot of icons. If you're curious about what an icon means, you can hover over it with your cursor.

Unsaved entries will be lost. To avoid losing your work, click the Save icon  (bottom right) frequently and before leaving the submittal.

Take note of the Submittal ID number. The submittal is automatically assigned a unique Submittal ID number . It is in the top left corner.

How to find submittals you are still working on. If you leave this submittal at any time before submitting, you will need to open the  Pending Submittals module (directly below Start New Submittal) and search for the Submittal ID number  in the top left corner to continue.

Deleting accidentally created records. If you accidentally create or change your mind about the type of application you would like to apply for, you should delete the accidental submittal (it will prevent future

submittals). To do this you will need to open the  Pending Submittals module (directly below Start New Submittal) and search for the Submittal ID number  in the top left corner. Click the Delete Submittal icon .

At the top, a file named "DetailedPlans for low risk disposal site determination.pdf" is listed with a PDF icon, a "New" tag, and metadata (v1, PDF, 16 KB, 5/28/2025). Below the file list is a yellow instruction bar: "Click on the document to identify the attachment type." Below this, a "Select Document Type" dropdown menu is open, showing a search bar and a list of options: "* Adjacent Property Owners" and "- Certification of Business Registry".

Enter a brief description of the document in the “Comments” field and click the Save icon  at the bottom right of the screen to successfully upload the attachment.

The screenshot shows the document upload interface for a file named "LUCS.pdf". At the top, a navigation bar has tabs: "1 Basic Info", "2 Attachment", "3 Payment", "4 Review", and "5 Submission". Below the tabs is a yellow instruction bar: "Make sure you upload all required (*) attachments. Please refer to side panel on the right for more detailed information. When uploading an attachment, first click the file record and select a document type option for the uploaded file. If you want to mail the documents to the authorized agency, please navigate to the Review tab and use the 'Mail To' checkbox." Below the instruction bar is a table with columns "Files Names" and "File Info/ Updated Date". The table contains one row for "LUCS.pdf" with a PDF icon, a "New" tag, and metadata (v1, PDF, 16 KB, 5/28/2025). Below the table, a "Doc Type" dropdown menu is set to "Land Use Compatibility Statement (LUCS)". Below the dropdown is a "Comments" text area containing the text "2025 signed Land Use Compatibility Statement". At the bottom right of the comments area is a "(Remaining Length: 3956)" indicator. At the bottom of the screen, there is a "1 Results" button and a large red "Save" icon.

NOTE: If you have saved a document with an incorrect document type or format, you will have to delete the document using the Delete icon  on the upper right and re-attach the document to select the correct document type.

The screenshot shows the 'Attachment' tab in a permit application system. At the top, there are five tabs: 'Basic Info', 'Attachment', 'Payment', 'Review', and 'Submission'. The 'Attachment' tab is active. Below the tabs, there are two red warning messages: 'Make sure you upload all required (*) attachments. Please refer to side panel on the right for more detailed information.' and 'The file extensions of some uploaded files do not comply with the required upload specifications.' Below these messages, there is a table of uploaded files. The table has columns for 'Files Names' and 'File Info/ Updated Date'. The first row shows a file named 'New LUCS.docx' with a 'DOCX' extension, '13 KB' size, and '5/12/2025' date. Below the file name, there is a 'Doc Type' dropdown menu set to 'Land Use Compatibility Statement (LUCS)'. To the right of the file name, there is a green 'v1' icon, a 'DOCX' button, a '13 KB' button, and a '5/12/2025' button. To the far right, there is a red trash can icon. A blue arrow points to the trash can icon. Below the file name, there is a red warning message: 'The file extension does not comply with the required upload specifications. Please refer to side panel on the right for more detailed information.'

Once the required attachments are uploaded, labeled and saved, the red warning icon  will disappear. You may repeat this process to add any optional or supplementary attachments.

3.1 How to find the Solid Waste-Disposal Site Permit terminate application

Login to your account on the [Your DEQ Online Public Portal](#).

In the top left-hand corner of the Dashboard, click the menu icon  to the left of “Dashboard”. Then click the Permits/License/Certificates icon  to find the permit you would like to terminate.

Once in the PLC module, the quickest way to find a permit is as follows:

- In the Keywords section, type in the permit number
- In the PLC Status, select Issued and Expired

Once your permit displays, click the More Actions icon  on the right side of the screen to display the following application options:

- Amend (aka Modification): 
- Renewal: 
- Terminate:

3.2 Important things to know before you start your application

The system uses a lot of icons. If you’re curious about what an icon means, you can hover over it with your cursor.

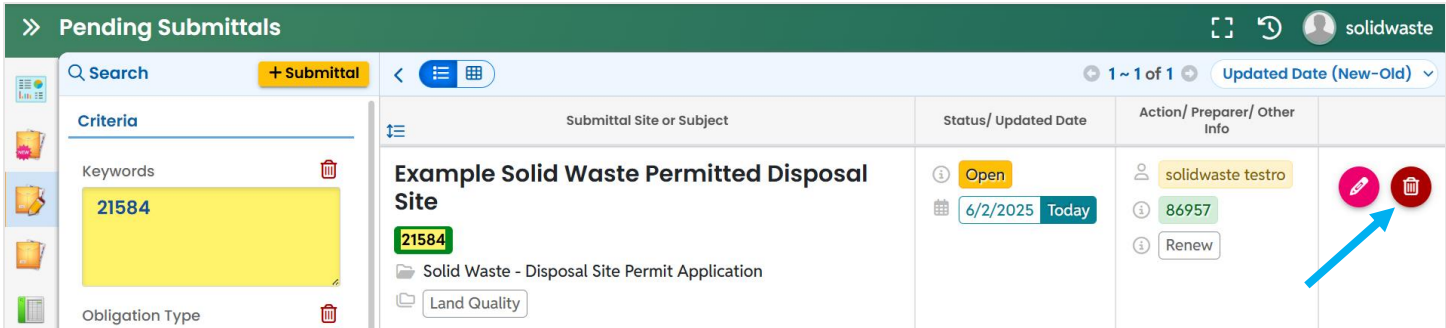

Unsaved entries will be lost. To avoid losing your work, click the Save icon  (bottom right) frequently and before leaving the submittal.

Take note of the Submittal ID number. The submittal is automatically assigned a unique Submittal ID number . It is in the top left corner.

How to find submittals you are still working on. If you leave this submittal at any time before submitting, you will need to open the  Pending Submittals module (directly below Start New Submittal) and search for the Submittal ID number  in the top left corner to continue.

Deleting accidentally created records. If you accidentally create or change your mind about the type of application you would like to apply for, you should delete the accidental submittal (it will prevent future submittals). To do this you will need to open the  Pending Submittals module (directly below Start New Submittal) and search for the Submittal ID number  in the top left corner. Click the Delete Submittal icon .

When uploading an attachment, first click the file record and **select a document type option** for the uploaded file. If you want to mail the documents to the authorized agency, please navigate to the Review tab and use the "Mail To" checkbox.

Click to Upload or Drag Files Over Here

Once uploaded, click on the document and a “Select Document Type” dropdown will appear. Click on the dropdown for a list of document types.

This screenshot shows the initial upload screen for a PDF document. At the top, a header bar displays a green 'v1' status, the file name 'DetailedPlans for low risk disposal site determination.pdf', and metadata including 'PDF', '16 KB', and '5/28/2025'. Below the header, a yellow instruction bar reads: 'Click on the document to identify the attachment type.' The main content area features a 'New' button with a PDF icon, a 'Select Document Type' dropdown menu, and a search bar. Below the search bar, a list of document types is visible, including '* Adjacent Property Owners' and '- Certification of Business Registry'.

Enter a brief description of the document in the “Comments” field and click the Save icon  at the bottom right of the screen to successfully upload the attachment.

This screenshot shows the document upload interface for a DOCX file. The top navigation bar includes tabs for 'Basic Info', 'Attachment', 'Payment', 'Review', and 'Submission'. Below the navigation bar, a header bar displays a green 'v1' status, the file name 'AdjacentPropertyOwners.docx', and metadata including 'DOCX', '13 KB', and '6/4/2025'. The main content area features a 'New' button with a DOCX icon, a 'Select Document Type' dropdown menu, and a 'Comments' text area. The 'Select Document Type' dropdown is set to 'Adjacent Property Owners'. The 'Comments' text area contains the text 'excel document of adjacent property owners' and a '(Remaining Length: 3958)' indicator. At the bottom right, a '1 Results' button and a red 'Save' icon are visible.

NOTE: If you have saved a document with an incorrect document type or format, you will have to delete the document using the Delete icon  on the upper right and re-attach the document to select the correct document type.

The screenshot shows the 'Attachment' tab in the application. At the top, there are five tabs: 'Basic Info', 'Attachment', 'Payment', 'Review', and 'Submission'. The 'Attachment' tab is active. Below the tabs, there is a yellow instruction box with two red warning icons. The first warning says: 'Make sure you upload all required (*) attachments. Please refer to side panel on the right for more detailed information.' The second warning says: 'The file extensions of some uploaded files do not comply with the required upload specifications.' Below the instruction box, there is a table with columns 'Files Names' and 'File Info/ Updated Date'. The table contains one row for a file named 'LUCS.docx'. The file is labeled 'New' and 'DOC'. The 'Doc Type' is 'Land Use Compatibility Statement (LUCS)'. The file info shows 'v1', 'DOCX', '13 KB', and '5/12/2025'. A red warning icon is present in the 'File Info/ Updated Date' column. A blue arrow points to this icon. Below the table, there is a yellow error box with a red border that says: 'The file extension does not comply with the required upload specifications. Please refer to side panel on the right for more detailed information.'

Once the required attachments are uploaded, labeled and saved, the red warning icon  will disappear. You may repeat this process to add any optional or supplementary attachments.
