Introduction

Your DEQ Online (YDO) is a comprehensive environmental data management system. Public users create an account that allows the user to electronically pay invoices or fees, obtain permits and licenses, and submit documents to the Oregon Department of Environmental Quality.

This User Guide is intended for the use of Underground Storage Tank Supervisors and provides a detailed explanation of how to:

1. Renew an existing UST Supervisor License or
2. Submit a new UST Supervisor License Application.

YOU MUST BE SIGNED IN TO YOUR OWN YDO ACCOUNT TO APPLY FOR THIS LICENSE. THE LICENSE WILL BE ISSUED IN THE NAME OF THE SUBMITTER.

YOU MAY NOT SUBMIT AN APPLICATION FOR ANYONE ELSE.

****for example if you are John Doe, and submit Jane Doe's test results, your license will say "John Doe"****

If you are renewing, complete Step 2A and skip Step 2B.

If you are submitting an application for your first Supervisor License, then skip Step 2A and complete Step 2B.

If you are renewing, be sure the name you use is exactly the same as when you first applied. Also make sure your License number is correct if you are adding new licenses.

It is assumed that the user will have an active account (required) with the YDO system.

Please visit <https://www.oregon.gov/deq/Permits/Pages/Your-DEQ-Online.aspx> for all things YDO, including technical support and the YDO Help Desk.

Click <https://ordeq-edms-public.govonlinesaas.com/pub/login?web=1> to go directly to the Public Portal page. Click the "Register Account" button (outlined in red below) to establish an account.

RENEWAL OF EXISTING LICENSE

If you **already have** a Supervisor License navigate to the Permit/License/Certificate module from the dashboard by clicking on the “Navigation” button (below, in red):

(Above graphic) Note: “Basic Info” is one of several Workflow tabs (not to be confused with browser tabs). Tabs or fields that require action or completion to proceed to the next step of the Submittal are marked with:  (see the tabs and data entry fields, above). YDO removes the red symbol when the requirements of that entry are satisfied.

Then click on the “PLC” module (in red below).

The PLC page opens; scroll through the list of permits and licenses to find your UST Supervisor entry:

First click on the purple button with the ellipses. This opens the sub-panel with the green circle and pencil. Click the green pencil icon to open the following page:

The screenshot shows the 'UST - Supervisor License Application' page. At the top, there's a header with '17923' and an 'Open' button. Below is a progress bar with five steps: '1 Basic Info', '2 Attachment', '3 Payment', '4 Review', and '5 Submission'. The 'Basic Info' step is active. The main content area has a heading: 'Effective July 6, 2001 the non-refundable license fee is \$150 for 24 months for one or more of the following licenses: (Check the appropriate box(s) below for each license you are applying for)'. Below this are five rows of checkboxes and 'Renew' buttons: 'UST Installation/Retrofit', 'UST Decommissioning', 'UST Tightness Testing', 'UST Cathodic Protection', and 'UST Technical'. A yellow note box states: 'NOTE: There is a separate application form and license fee for Heating Oil Tank Services.' Below that is the 'Attachment Requirements' section, which contains a text box with instructions: 'Please attach the passing examination documentation for each license you're applying for. For this license application to be valid it must be accompanied by the total fee and the passing score report(s) you received from the test administrator, LaserGrade or Pearson VUE (formerly Promissor). License applications must be submitted to DEQ within 30 days of passing the qualifying examination. Renewal applications must be submitted 30 days prior to expiration. You should receive your license(s) from DEQ within one to two weeks from the date you submit the application'. A large 'PreP' watermark is visible across the bottom right of the page.

Choose all the applicable Specialties above (you must attach passing ICC test results for each specialty; the required "Attachment(s)" then appear(s) on the right side of the page. Click on the

"Attachment" tab:

Click in the box outlined in red above to upload the ICC Test results. Then click within the document panel to identify the upload:

YOU MUST REPEAT THIS PROCESS FOR EACH LICENSE TYPE. The appropriate passing test score is required as an "Attachment" for each. You will find one "Issuance" for each license when it is approved by DEQ. Be sure to click the red "Save" button in the lower right corner of every page.

Once the application is approved by the DEQ UST Program, you will receive an email message indicating the approval of your application. Return to YDO at that time and find your application

by clicking on the white “Submitted” button:

Then open the submittal by clicking on the orange eyeball (red arrow below); note that the white button turned blue (green arrow below).

The following window opens where you may download or print your license:

License applications must be submitted to DEQ within 30 days of passing the qualifying examination. Renewal applications must be submitted 30 days prior to expiration. You should receive your license(s) from DEQ within one to two weeks from the date you submit the application.

Finally click the blue "Finish" button to return to the "Submitted Submittals" page where you can note that YDO has indicated a "Complete Submittal" (in red below):

Once you have received an email from YDO informing you that your application has been approved, return to your YDO "Dashboard" page. Click the "Submitted" button (it will turn blue):

Then click the yellow "eyeball" icon under the blue "submitted" button to open your Submittal.

Once DEQ processes and approves the submittal, your Supervisor License will be available in the "Issuance" tab of that "Submittal":

Click on the "Issuance" tab to download the document by clicking on the red download button:

The screenshot shows a web interface for 'Submitted Submittal Info'. At the top, there's a green header with a menu icon and a back arrow. Below this, a light blue bar contains the submittal number '19681' and the status 'Approved'. A navigation bar below that has tabs: 'Submittal Summary', 'Attachment 1', 'Issuance 1' (which is selected), 'Email History 3', 'Payment', and 'Correspondence'. The main content area is titled 'Issuance Documents'. It features a yellow box labeled 'Final Documents' for 'UST Licensing Service Provider License - Installation/Retrofit...'. Inside this box, it says 'Issued', 'Document # 30012', and the dates '12/19/2024 ~ 12/19/2025'. At the bottom of this yellow box, a red square button with a white document icon is circled in red. Below the yellow box is a section titled 'Supporting Documents' which contains a grey box stating 'No record found.'

This concludes the process of applying for, or renewing a UST Service Provider's License.
