Meeting Purpose: Hear high-level results of Cascadia's second round of infrastructure economic analysis and DEQ's social and environmental impacts analysis; hear updates or proposals from RSC ad hoc work; and hear a high level overview of a comprehensive framework concept from local government members of the RSC.

11:00 **Welcome, Introductions, Frame for the Day** - Oregon Consensus

11:10 **Infrastructure Research and Analysis Results**- Cascadia Consulting and DEQ

- Review results of second round analysis of infrastructure scenarios
- Discuss potential policy implications for results

12:40 **Lunch Break**

1:00 **Continue/Wrap Up Infrastructure Research Review**

1:30 **Ad Hoc Updates**

- Processing Equity Requirements: Recommendation for RSC review
- Anti-Contamination Programming: Recommendation for RSC review
- Truth in Labeling: Status Update
- Funding Options: Status Update

2:45 **Break**

3:00 **Draft Comprehensive Framework Concept** - Local Government members of the RSC

The local government RSC members will present a high level version of a comprehensive framework they have been developing together. This will be an opportunity to roll the concept out and share iterative process plans from here, and invite initial feedback through public comment. A refined concept will be brought forward for consensus consideration by the RSC at the next meeting.

3:30 **Public Comment** (*note change in time*)

3:45 **Wrap Up and Adjourn**- Oregon Consensus

- Recap progress and next steps for RSC work
- Next RSC meeting: August 27
