#### Key Legislative Dates

- **Jan. 1, 2022**
  - Law becomes effective

- **March 31, 2024**
  - First plans due (starts 30-day public comment)

- **July 1, 2025**
  - Program plans are implemented and recycling program changes begin

- **Sept. 27, 2024 (or earlier)**
  - If DEQ does not approve within 120 days, revised plans due 60 days later (starts 30-day public comment)

- **Feb. 24, 2025 (or earlier)**
  - If DEQ requires a second revision within 90 days, revised plans due 60 days later (starts 30-day public comment)

#### Technical Work Groups

- **Material Lists**
  - Inform establishment of uniform statewide collection list and other recycling lists (Sec. 22).

- **Processor Fees and Permits**
  - Inform establishment of fees paid by PROs to commingled recycling processing facilities (Sec. 24, 25). Inform establishment of new standards for DEQ permit or approved certification program (Sec. 19a, 37, 38).

- **Generator Contamination Reduction**
  - Evaluate generator-facing methods for reducing contamination, and inform establishment of contamination reduction methods approved for local government implementation (Sec. 28).

This is an estimated timeline and dates are subject to change. This chart is for projects starting in 2022-2024. Projects with later start dates (e.g., litter and marine debris assessment) are not yet scoped and therefore not included in the chart.
Public Involvement Timeline (continued)

The public may attend all meetings, which will include time for public comment.

### RULES ADVISORY COMMITTEES

Diverse range of partners interested in issues covered by each rulemaking. Members will help DEQ review the policy and fiscal impacts related to proposed rules. Meetings are estimated to run 3-5 hours.

**Rulemaking #1**
- PRO Fees and Plan Requirements
- Local Government Compensation
- Material Lists

**Rulemaking #2**
- Commingled Processing Facility Permits and Certification
- Processor Fees
- Generator Contamination Reduction Programs
- Life Cycle Assessment Standards

### TRUTH IN LABELING TASK FORCE

Appointed by Governor

- January – May 2022: 4-5 meetings

### OREGON RECYCLING SYSTEM ADVISORY COUNCIL

Appointed by Governor

- Spring 2022 and beyond: Meets at least quarterly

---

This is an estimated timeline and dates are subject to change. This chart is for projects starting in 2022-2024. Projects with later start dates (e.g., litter and marine debris assessment) are not yet scoped and therefore not included in the chart.
