

Oregon Department of Environmental Quality Heating Oil Tank Program - Licensed Service Providers

State of Oregon
Department of
Environmental
Quality

The following is a list of companies licensed by DEQ to perform heating oil tank services (site assessment, decommissioning, and cleanup). Just as you would when hiring someone for any service, we recommend that you obtain two or three bids from different companies and check references from other customers. Be sure that when you compare bids, you are comparing the same services - ask questions to get a complete understanding of your options. For coverage areas listed other than statewide, the names correspond to the counties covered by the DEQ Region noted.
