

CHECKLIST for 2020 319 Grant application

To assist you in providing a complete application please perform a check before submitting your application as follows:

1. As a cover page, please include sections I-III. For your use, all sections are included as a fillable form.
2. The description of your project proposal needs to answer the sections IV, V, VI, VII and VIII. Please provide your answers to these sections in a document and include it with the cover page.
3. Please send your completed project proposal application electronically to:
Ivan Camacho, camacho.ivan@deq.state.or.us

Section	Content	Checked
I	Proposal title	
II	Contact Information	
III	Project Location	
IV	Project Summary	
V	Watershed Plan / Area wide Strategy.	
VI	Desired Environmental Outcomes	
VII	Phasing Considerations	
VIII	Budget, Project Partners, Sources of Matching Funds and Estimated Total Project Cost
