It is the specific intention of the parties that the Indemnitee shall, in all instances, be indemnified by the contractor from and against any and all Claims.

39. Governing Law. The laws of the State of Oregon (without giving effect to its conflicts of law principles) govern all matters arising out of or relating to this Agreement, including, without limitation, its validity, interpretation, construction, performance, and enforcement. Any party bringing a legal action or proceeding against any other party arising out of or relating to this Agreement shall bring the legal action or proceeding in the Circuit Court of the State of Oregon for Marion County. Each party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum.

40. Merger Clause. THIS AGREEMENT CONSTITUTES THE ENTIRE AGREEMENT BETWEEN THE PARTIES REGARDING THE SUBJECT MATTER HEREOF. THERE ARE NO UNDERSTANDINGS, AGREEMENTS, OR REPRESENTATIONS, ORAL OR WRITTEN, NOT SPECIFIED HEREIN REGARDING THIS AGREEMENT. RECIPIENT, BY THE SIGNATURE BELOW OF ITS AUTHORIZED REPRESENTATIVE, HEREBY ACKNOWLEDGES THAT IT HAS READ THIS AGREEMENT, UNDERSTANDS IT AND AGREES TO BE BOUND BY ITS TERMS AND CONDITIONS.

41. Relationship of Parties. DEQ and Recipient agree that their relationship is that of independent contracting parties and that Recipient is not an officer, employee, or agent of the State of Oregon as those terms are used in ORS 30.265.

42. Time is of the Essence. Time is of the essence in Recipient’s performance of its obligations under this Agreement.

43. No Implied Waiver. The failure of DEQ to exercise, and any delay by DEQ in exercising, any right, power, or privilege under this Agreement shall not operate as a waiver thereof, nor shall any single or partial exercise of any right, power, or privilege under this Agreement preclude any other or further exercise thereof or the exercise of any other such right, power, or privilege.

44. Successors and Assigns. This Agreement shall be binding upon and shall inure to the benefit of DEQ, Recipient, and their respective successors and assigns, except that Recipient may not assign or transfer its rights or obligations hereunder or any interest herein without the prior written consent of DEQ.

45. No Third Party Beneficiaries. DEQ and Recipient are the only parties to this Agreement and are the only parties entitled to enforce its terms. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide, any benefit or right, whether directly or indirectly, to any third party unless such party is identified individually by name herein and is described expressly as an intended beneficiary of the terms of this Agreement.

46. Notices. Any notice under this Agreement shall be in writing and delivered to the party to be notified in-person, by U.S. mail, postage prepaid, or by email. Notices mailed or emailed must be sent to the Grant Administrators set forth in this Agreement. Any notice so addressed and mailed shall be effective five (5) days after mailing. Any notice given by personal delivery shall be effective when actually delivered. Any notice given by email shall be effective upon the sender’s receipt of confirmation generated by Recipient’s email system that the notice has been received by Recipient’s email system.

47. Counterparts. This Agreement may be executed in several counterparts, all of which when taken together shall constitute one agreement, notwithstanding that all parties are not signatories to the same counterpart. Each copy of the Agreement so executed constitutes an original.

48. Cybersecurity Condition. State Grant Cybersecurity

   a. Recipient agrees that when collecting and managing environmental data under this assistance agreement, it will protect the data by following all applicable State law cybersecurity requirements.
b. Recipient will comply with the requirements in Section 48c if Recipient’s network or information system is connected to EPA networks to transfer data to EPA using systems other than the Environmental Information Exchange Network or EPA’s Central Data Exchange.

c. EPA must ensure that any connections between Recipient’s network or information system and EPA networks used by Recipient to transfer data under this agreement, are secure. For purposes of this Section, a connection is defined as a dedicated persistent interface between an Agency IT system and an external IT system for the purpose of transferring information. Transitory, user-controlled connections such as website browsing are excluded from this definition. If the recipient’s connections as defined above do not go through the Environmental Information Exchange Network or EPA’s Central Data Exchange, Recipient agrees to contact the EPA Project Officer (PO) and work with the designated Regional/Headquarters Information Security Officer to ensure that the connections meet EPA security requirements, including entering into Interconnection Service Agreements as appropriate. This condition does not apply to manual entry of data by Recipient into systems operated and used by EPA’s regulatory programs for the submission of reporting and/or compliance data.

EACH PERSON SIGNING THIS AGREEMENT REPRESENTS AND WARRANTS THAT HE/SHE HAS THE POWER AND AUTHORITY TO ENTER INTO THIS AGREEMENT ON BEHALF OF THE INDICATED PARTY. DEQ enters into this Agreement under the authority of Oregon revised Statutes 190.110.
