

Oregon Department of Environmental Quality

# Oregon Section 319 2021 Grant Cycle: Match Sources Fillable Form

Proposals selected for funding must provide **at least 40%** of the total project cost (§319 funds requested plus minimum match) as match using non-federal funds and/or in-kind services (e.g., volunteer time and effort).

Successful grant recipients must submit **documentation of the project match to DEQ, which meets the format and criteria provided with the final NPS Agreement.** Please include the match information in this format with your application.

Match Source (organization names)	Match Amount	Is Match Federal?	Is Match Non-federal?	Will this Match be counted toward this grant subaward (if awarded)? Type of match?	Is this Match included/counted on any other federally-funded award (regardless of source i.e., nonprofit, state etc.)?
