

Provider Time Capture Stakeholder Engagement Sessions

For Consumers and Providers

What are stakeholder engagement sessions?

The Provider Time Capture (PTC) Project is continuing a series of online sessions with:

- The consumers we serve
- Home care workers who serve in-home consumers enrolled in Aging and People with Disabilities (APD) program
- Personal care attendants who serve in-home consumers enrolled in the Health Systems Division (HSD)
- Any others interested in information about this project.

The state plans to have a PTC solution to comply with Electronic Visit Verification (EVV) by summer 2021.

Why? To provide updates and collect your feedback!

The PTC online sessions' goals are to:

- Build an understanding of EVV (including what you can expect from the project, project progress and process impacts)
- Collect and address feedback from affected users with different interests, perspectives and involvement.

This information will build upon feedback collected during our previous session to help guide the project.

How can you join a session?

Below is a schedule of online sessions available in fall 2020. You are not required to participate in these sessions. Although you will not be paid to attend the sessions, we strongly encourage you to participate.

You only need to attend one session. (Various times are offered to accommodate different schedules.)

To join a session, click on the link at the date and time you choose. **No prior registration or download is necessary.**

Note: Select sessions will also be available in Russian, Spanish, Mandarin and Korean (see schedule below for dates). Please check the PTC website (PTC.Oregon.gov) regularly for updated availability. If you can't attend, materials from these sessions will be available on the website in the following languages; English, Spanish, Russian, Vietnamese, Simplified Chinese, Arabic, Somali, Traditional Chinese, Farsi, Romanian and Korean.

When and where can you join?
