

Monthly Caseload Forecast Variance Report  
Oregon Department of Human Services  
Intellectual and Developmental Disabilities

MAY 2021

**Note: The changes in public policy, behavior, and economics due to the COVID-19 crisis continue to create greater uncertainty than is usually experienced in a forecast cycle. As with the Fall 2020 forecast, the current forecast for Spring 2021 contains assumptions about operations and recovery patterns from COVID, some of which have changed from the prior forecast. Details concerning these assumptions will be contained in the Spring 2021 ODHS-OHA Caseload Forecast report, which will be released in early May.**
