

House Bill 4014

Removes requirement that foster and former foster children complete volunteer service hours to qualify for tuition waiver. *Effective January 1, 2019.*

DHS and the Oregon Department of Education co-wrote a technical assistance manual on all things foster care and education (K-12). It can be found on ODE's Foster Care page: <http://www.oregon.gov/ode/students-and-family/fosteringconnections/Pages/default.aspx>

DHS and ODE have signed a data sharing agreement, so foster student outcomes will be reported annually on the Statewide Report Card
